AGREEMENT BETWEEN the COUNTY OF NEVADA AND DOMESTIC VIOLENCE AND SEXUAL ASSAULT COALITION (DVSAC) FOR BATTERED AND ABUSED SPOUSES PROGRAM

THIS AGREEMENT, entered this 30th day of December, 2015 by and between the COUNTY OF NEVADA (herein called the "Grantee") and the Domestic Violence and Sexual Assault Coalition (DVSAC) (herein called the "Subrecipient").

WHEREAS, the Grantee has applied for and received approval to use program income funds from the State of California Department of Housing and Community Development (HCD), State Community Development Block Grant (CDBG) Program (the "Department") originating from the United States Government under Title I of the Housing and Community Development (HUD) Act of 1974, Public Law 93-383; and

WHEREAS, the Grantee wishes to engage the Subrecipient to assist the Grantee in utilizing such funds;

NOW, THEREFORE, it is agreed between the parties hereto that;

I. SCOPE OF SERVICE

A. Activities

Program Delivery

The Subrecipient will be responsible for administering the **Battered and Abused Spouses Program** funds approved by HCD contract #13-CDBG-8931 AM. 1 in a manner satisfactory to the Grantee and consistent with any standards required as a condition of providing these funds. As used in this Agreement, persons determined to be victims of domestic violence are presumed benefit clientele and assumed to meet the "low income" requirements set by HUD. Such program will include the following activities eligible under the CDBG Program:

DVSAC will increase its current shelter capacity for victims of domestic violence to accommodate up to 12-18 women and children adding an additional 3650 shelter bed nights. This increase in capacity will be achieved by moving to a larger facility and adding program staff for increased client case management/services for one year along with limited miscellaneous cost associated with the expansion. Details of the increased cost are indicated in the budget breakout below.

DVSAC will maintain and provide documentation showing that the activity is designed to be used exclusively by a segment of the population presumed by HUD to be L/M income persons.

DVSAC will provide qualified victims of domestic violence with supportive services for up to one year that will enable them to sustain independent living conditions for themselves and their children. Supportive services shall include the hiring of staff to ensure that clients have access to emergency shelter, crisis counseling, food, clothing transportation and access to support groups and therapy.

Maintain facilities at all times in conformance with all applicable codes, licensing, and other requirements for the operation. This will include all requirements for lead-based paint testing and abatement, as necessary. The facilities must also be handicapped accessible.

Conduct outreach through flyers, public service announcements, networking with local agencies, and other means to inform the community of the availability of the subsidized Battered and Abused Spouses Program, and to ensure sufficient demand to maintain enrollment and provide for the anticipated increase in service request.

General Administration

1. DVSAC will complete intake evaluations, determine eligibility for the program, and coordinate services for each eligible applicant.
2. DVSAC will keep records of all service requests that include final disposition of the applications.
3. DVSAC will capture and provide client demographic information requested in Part 1 of the CDBG self-certification form (Attachment A) for all clients served with CDBG funds.
4. DVSAC will keep financial records relating to expenditures of CDBG funds that will be available to the grantee upon request.
