

Nevada County AirShow and Brewfest 2019 Exhibit “A”

Event Plan as of June 16th, 2019

I) Invitation Dinner Friday July 19th, 2019; 6:00-10:00pm.

1) Location:

This event will be held off airport at the Marlow Hangar north of runway 25. Tables, chairs and shades will be rented to accommodate up to 100 attendees.

2) Auto Parking:

Auto parking will be provided along Loma Rica Drive and Nevada City Avenue with overflow being allowed onto the airport ramp(s) at the far east end of ramp 1. Orderly parking assistance will be provided by volunteers.

3) Alcoholic Beverage Service:

The Golden Empire Flying Association has no plans to offer beer and wine for purchase at this event.

4) Security:

Enforcement of all roped-off boundaries will be provided by GEFA, EAA, N.C. Sheriffs and Reno Air Races volunteers and an on-site emergency staff provided by Nevada County Search and Rescue as well as Nevada County Consolidated Fire Dept. Licensee shall pay all costs for providing security and emergency services for this event.

II) AirFest 2019: Saturday July 20th, 2019; 8am to 4pm.

1) Location:

Beginning Friday evening and 6:00AM Saturday, display aircraft, vendors and volunteers will arrive on site to situate their displays and set up booths on all of the ramps adjacent to the taxiways. The public will be allowed to enter through the (2) gates beginning at 8:00AM. Premium public parking will be allowed on Administration Way and on Ramp 1. There will be reserved parking behind the Airport Administration Building and on Administration Way for the handicapped, event sponsors and VIPs. Portable restrooms will also be rented and situated in multiple locations near the edge of the ramps. A large dumpster and trash receptacles will also be rented.

2) Vendors:

Up to thirty vendors including food, merchandise and activities will be located on site. GEFA plans to sell beer and wine. A list of vendors and their proof of insurance will be provided as

soon as possible or by July 3rd, 2019. All food vendors must show compliance with N.C. Environmental Health Dept. regulations before being accepted as participants.

3) Flying Activities:

A flying schedule is being produced consisting of fly-bys of various types of aircraft, and radio-controlled models, all to be flown over the runway which will be secured from public access. Demonstrations of fire-fighting aircraft including a helicopter may be conducted by the CAL FIRE/USFS Grass Valley Air Attack Base which is also holding an open house during the event. There will be no aerobatic shows of any kind. There will be a dedicated FAA-trained civilian UNICOM radio monitor to help ensure the orderly arrival, departure and demonstration passes of all aircraft.

4) Security:

Security and emergency services coverage will be expected to handle an estimated attendance of 4,000 to 6,000 people. Licensee shall pay all costs for providing security and emergency services for this event.

III) Insurance:

GEFA will purchase liability insurance to cover both days of the event. Vendors are being asked to provide proof of additional coverage and to name County of Nevada as additionally insured. A complete list will be added when it becomes available.

IV) On Site Contact Person: Licensee hereby designates the following event manager to ensure compliance with the terms and conditions of the License and to address all issues and concerns as necessary or as requested by the Airport Manager. The event manager shall be on-site and reasonably accessible to the Airport Manager at least 2 hours prior to and after each scheduled event, and throughout the scheduled event hours.
