## **Nevada County**

### **Consolidated Veterans Council**

In honor of Veterans Day November 11, 2024, the County of Nevada Board of Supervisors takes great pleasure in recognizing Nevada County Consolidated Veterans Council for their work and contribution to Nevada County veterans' community and thanks them for their service defending liberty and freedom for future generations and continued work in the community each day.

With over 8,500 veterans living in Nevada County, 1,578,509 veterans living in California and 16.2 million living throughout the United States, veterans service organizations are crucial in fulfilling the promise echoed by President Lincoln in 1865, "to care for him who shall have borne the battle and for his widow, and his orphan, to do all which may achieve and cherish a just and lasting peace.." Nevada County veterans are blessed by the various service organizations through their advocacy, support and education for both veterans, their families and community that include the American Legion Post #130, Gold Country Detachment #855 Grass Valley Marine Corps League, Veterans of Foreign Wars (V.F.W. Banner Mountain Post #2655, Vietnam Veterans of America Inc. Chapter 535, and Nevada County Veterans Stand Down, that in aggregate make up the Nevada County Consolidated Veterans Council (NCCVC).

NCCVC affiliate organizations work each day serving the community through a myriad of opportunities, including but not limited to, providing student scholarships, giving food and other resources to disadvantage families, promoting STEM in K-12 schools, donating recreation equipment to promote athletics, and providing donations of time supporting community projects, amongst other activities.

Therefore, the Nevada County Board of Supervisors takes great pleasure in recognizing recognizing Nevada County Consolidated Veterans Council for their work and contribution to Nevada County veterans' community and thanks them for their service defending liberty and freedom for future generations and continued work in the community each day in honor of Veterans Day November 11, 2024.
