Tier(s)

Licensing Metrics:

Instructions
Identify the allowable commercial cannabis activities in your jurisdiction
If there is a limit to the number of permits issued per activity - enter the number. If there is no limit enter N/A for Not Applicable.
Instructions
Enter the permit or application number assigned by your local jurisdiction.
Enter the type of local permit, e.g. conditional use permit, minor use permit, zoning permit, etc.
Indicate the current status of the owner's permit. For example, DCC uses the following status types: Active: When a permit does meet the criteria for licensure it is approved and a permit becomes Active Denied: When an application does not meet the criteria for a permit, it is Denied Revoked: When a permit has been terminated Disqualified: When deficiencies in an application are not fulfilled or non-payment of permit fees within the specified time frame Suspended: When a permit has been temporarily suspended
Enter the expiration date of the local permit as applicable.
Has this permit been qualified under your program as an equity applicant? Select "yes" or "no" from the drop down menu.
Identify the site specific document that has been prepared or in the process of being prepared for each permit entered: * Environmental Impact Report (EIR), * Initial Study/Mitigated Negative Declaration (ISMND), * Initial Study/Negative Declaration (ISND), * Notice of Exemption (NOE) along with a robust project description, * Subsequent activity checklist also known as a 15168 checklist, * Appendix G, * Resolution or ordinance. If the project has been deemed ministerial by the jurisdiction please indicate "ministerial".
Select from the drop down menu whether the site specific CEQA document is complete or underway.
Please check the types of cannabis activity covered by the local authorization: cultivation, distribution, manufacturing, retail, microbusiness, or testing lab.
Premises Assessor's Parcel Number for the business entity.
Premises Address for the business entity.
Provide the size of the canopy in square feet if permit is for cultivation activity.

Legal name of the applicant business entity as registered with the California Secretary of State, California Department of Tax and Fee Administration, or local jurisdiction.

Please list all owners associated to the business, use multiple rows if necessary.

Cannabis business owner's first name.

Cannabis business owner's last name.

Provide the owner's email address.

Provide for either the Business or the Designated Responsible Party (DRP).

Instructions

For jurisdictions with multiple tiers, qualification groups, classifications, or categories for equity program eligibility, please include numbers for each group.
