NEVADA COUNTY BOARD OF SUPERVISORS

Board Agenda Memo

MEETING DATE: June 24, 2025
TO: Board of Supervisors
FROM: David Garcia, Director of Public Works
SUBJECT: Resolution approving renewal of a contract with Robinson Enterprises, Inc. for Leachate Transport Services at the McCourtney Road Closed Landfill for an amount not to exceed \$450,000 – All Districts

RECOMMENDATION: Approve the attached resolution.

FUNDING: Funding is for Fiscal Year 2025-2026 and impacts the Solid Waste budget subject to adoption of the Fiscal Year 2025-2026 County budget. Funding is provided by parcel charge assessments, and no budget amendment is needed. There is no impact on the General Fund.

BACKGROUND: On June 20, 2017, the Nevada County Board of Supervisors adopted Resolution No. 17-322 awarding the contract to Robinson Enterprises, Inc., for Leachate Transport Services at the McCourtney Road Closed Landfill on an “as needed” basis. This contract is sole source as Robinson Enterprises is the only vendor locally able to provide leachate hauling services at a competitive rate. On June 25, 2024, the Board of Supervisors approved Resolution No. 24-331 renewing the agreement to June 30, 2025.

Ongoing Leachate Transport Services are needed at the McCourtney Road Closed Landfill. Therefore, staff is recommending a renewal of this agreement for an additional one (1) year contract term of July 1, 2025, through June 30, 2026, at an amount not to exceed \$450,000. The contract will allow for the removal of more than five million gallons of leachate from the storage tanks per year.
