**Board Agenda Memo**

---

**MEETING DATE:** November 15, 2016

**TO:** Board of Supervisors

**FROM:** Steve Castleberry, Director of Public Works

**SUBJECT: Resolution Authorizing Submittal of Fiscal Year 2016-17 Proposition 1B, California Transit Security Grant Program – State Transit Assistance Fund (CTSGP-CTAF) Investment Justification**

**RECOMMENDATION:** Approve the attached Resolution.

**FUNDING:** The grant will be funded by the State of California Transit System Safety, Security, and Disaster Response Account and impacts the Transit Services budget. The funding amount is non-optional and there is no impact to the General Fund. A budget amendment is not required.

**BACKGROUND:**

The California Transit Security Grant Program funds capital projects to move people, goods, and emergency personnel and equipment in the aftermath of a disaster. Nevada County will be allocated \$57,733 for Fiscal Year 2016-17.

The Transit Services Division is required to submit Investment Justification reports to the California Office of Emergency Services (Cal OES) in order to submit funding applications. The funding is intended for a phased bus stop and safety improvement project. The phased project will enhance the safety and security of transit vehicles, facilities staff, and passengers through increased operational effectiveness.

Upon receiving approval of the projects from Cal OES, the remaining full application components will be submitted. The submittal of the Investment Justification will be presented to the Transit Services Commission for approval at their November 16, 2016 meeting. It should be noted that the CTSGP-CTAF funding is solely dependent on State bond sales.
