NEVADA COUNTY BOARD OF SUPERVISORS

Board Agenda Memo

MEETING DATE: August 14, 2018

TO: Board of Supervisors

FROM: **Steve Monaghan, Chief Information Officer**

SUBJECT: Resolution authorizing execution of Amendment No. 1 to the Contract with C&S Engineers, Inc., to extend the Contract date through June 30, 2019 for Construction Observation and Administration of Phase 1 (Base Bid) in the amount of \$125,495 for the Perimeter Fence and Gate System Upgrades Project at the Nevada County Airport.

RECOMMENDATION: Adopt the Resolution

FUNDING: This contract for construction observation and administration is in the amount of \$125,495. There is no change in the contract amount but there is \$3,195 remaining in the contract for work that was expected in FY 17/18 but will be completed and paid for in FY 18/19. A budget amendment will be included in a forthcoming FY 18/19 consolidated budget amendment for the \$3,195. The Federal Aviation Administration is funding 90% of the cost and the remaining 10% is being funded by the Airport Enterprise Fund. There is no impact on the General Fund.

BACKGROUND:

Board of Supervisors Resolution 16-576 approved a contract with C&S Engineers, Inc., to provide construction management services for Phase I of the airport fence project. The contract expired June 30, 2018 and needs to be extended due to unanticipated delays. This amendment will extend the contract termination date to allow for additional time to complete the project.
