Hi Brian-

Attached please find the District's Annual Mitigation & CIP Plan for 2025-2026. The fire impact fees were approved by the District's Board of Directors ("Board") on March 17, 2026, by Resolution No 03-2026. The District Board formally requests that the Nevada County Board of Supervisors adopt and implement the proposed updated fee program on behalf of the District.

Please let me know if you need anything additional and when this may go before the Board of Supervisors.

Thank you,

Emily Pindar, MBA
Director of Finance & Administration
Truckee Fire Protection District
