New eComment for Nevada County Board of Supervisors February 8, 2022, Meeting

Patti Galle submitted a new eComment.

Meeting: Nevada County Board of Supervisors February 8, 2022, Meeting

Item: 5. SR 22-0096 Resolution approving Amendment 1 to the contract between the County of Nevada and Advocates for Mentally Ill Housing, Inc. dba AMI Housing, Inc. for the provision of Housing Support Services (Res. 21-291), increasing the maximum contract price from \$580,493 to \$780,793 to incorporate Master leasing and additional staff support, for the period July 1, 2021 through June 30, 2022, authorizing the Chair of the Board of Supervisors to execute the amendment, and directing the Auditor-Controller to amend the Fiscal Year 2021/22 Social Services Department budget. (4/5 affirmative vote required)

eComment: This increase has to be carefully monitored as a landlord I am a recipient of AMI services for a tenant. Due to the complete lack of professionalism and inability to process the funds, it is very concerning that they will get even more money. Perhaps increasing staff, if you see that competent staff is hired, will help, but I have yet to get help. As the BOS you need to have your County oversight department let AMI know you are aware that they need to improve and be sure that it is done.
