Terms

Each term of this Contract below specifically incorporates the information set forth in the Summary at page one (1) above as to each respective section (§) therein, as the case may be.

Services

1. **Scope of Services:**

Contractor shall provide all of the services, materials and products (herein "Services") generally described in **Exhibit "A"**, according to a performance schedule, if applicable, as set forth in said exhibit (herein "Performance Schedule"). If requested, Contractor agrees to serve as an expert witness for County in any third party action or proceeding arising out of this Contract.

Payment

2. **Charges and Payments:**

The charges (herein "Charges") for furnishing the aforesaid Services under this Contract are set forth in **Exhibit "B"**, including, if applicable, hourly rates, unit pricing, and expense, mileage and cost limits. Said Charges shall be presented monthly by invoice, and shall be due within thirty (30) days of receipt of said invoice unless payment is otherwise set forth in said **Exhibit "B"**, and shall remain in effect for the entire term of this Contract, and any extension hereof. In no event will the cost to County for Services to be provided under this Contract, including direct non-salary expenses, exceed the **Maximum Contract Price** set forth at §2, page one (1), of this Contract. If a Catalog of Federal Domestic Assistance ("CFDA") number is designated at §33, page one (1), of this Contract, then all components of compensation billed to County shall be calculated in accordance with Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 CFR Chapter I, Chapter II, Part 200, et al (commonly referred to as the "OMB Super Circular" or "Uniform Guidance").

Time for Performance

3. **Contract Term:**

This Contract shall commence on the **Contract Beginning Date** set forth at §3, page one (1), of this contract. All Services required to be provided by this Contract shall be completed and ready for acceptance no later than the **Contract Termination Date** set forth at §3, page one (1), of this Contract.

4. **Liquidated Damages:**

County and Contractor agree that damages to County due to delays in timely providing Services in accordance with the aforesaid Performance Schedule and Contract Termination Date are impractical and difficult to ascertain. Therefore, if §4 at page one (1) hereof shall indicate a daily amount as **Liquidated Damages**, County shall have the right to assess said daily sum, not as a penalty, but as and for damages to County due to delays in providing Services not in accordance with the said Performance Schedule, or later than the Contract Termination Date (herein "Delay"). Liquidated Damages shall be offset against amounts owing to Contractor, including retention sums.

To the extent that any Delay is a result of matters or circumstances wholly beyond the control of Contractor, County may excuse said Liquidated Damages; provided however, that County may condition such excuse upon Contractor having given prompt notice to County of such delay immediately by telephone and thereafter by written explanation within a reasonable time. The time for Contractor's performance shall be extended by the period of delay, or such other period as County may elect.

5. **Time of the Essence:**

Time is of the essence with respect to Contractor's performance under this Contract. Delay in meeting the time commitments contemplated herein will result in the assessment of liquidated damages, if indicated at §4 at page one (1), hereof. If Liquidated Damages are not so indicated, damages shall be as otherwise provided by law.

Insurance

6. **Commercial General Liability Insurance:** (County Resolution Nos. 90-674, 02-439)

If §6 at page one (1) hereof shall indicate a **Commercial General Liability** insurance policy is required, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following:

- (i) Broad form coverage for liability for death or bodily injury to a person or persons, and for property damage, combined single limit coverage, in the minimum amount indicated at said §6;
- (ii) An endorsement naming County as an additional insured under said policy, with respect to claims or suits arising from the Services provided or the relationships created under this Contract;
- (iii) A provision that said insurance shall be primary and non-contributory, that other insurance maintained by the County of Nevada shall be excess only and that neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance available to County;
- (iv) A provision that said insurance shall provide for thirty (30) days written notice to County of any termination or change in coverage protection, or reduction in coverage limits (except ten (10) days notice for non-payment of premium).

7. Automobile Liability Insurance: (County Resolution No. 90-676)

If §7 at page one (1) hereof shall require either a Business Rated or a Commercial Automobile Liability insurance policy, for each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following provisions:

- (i) Liability protection for death or bodily injury to a person or persons, property damage, and uninsured and underinsured coverage, combined single limit coverage, in the minimum amount indicated at said §7;
- (ii) An endorsement naming County as an additional insured under said policy, with respect to claims or suits arising from the Services provided or the relationships created under this Contract;
- (iii) A provision that said insurance shall be primary and non-contributory, that other insurance maintained by the County of Nevada shall be excess only and that neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance available to County;
- (iv) A provision that said insurance shall provide for thirty (30) days written notice to County of any termination or change in coverage protection, or reduction in coverage limits (except ten (10) days notice for non-payment of premium).

If §7 at page one (1) hereof shall require a Personal Auto policy, for each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance for a minimum of three hundred thousand dollars, (\$300,000), in combined single limits, and naming the County as additionally insured.

8. Workers' Compensation: (County Resolution No. 90-674)

If §8 at page one (1) hereof shall indicate a **Workers' Compensation** insurance policy is required, Contractor shall maintain said policy as required by law, and shall promptly provide proof of such insurance evidenced by a certificate of insurance, or other documentation acceptable to County. The Workers' Compensation insurer shall agree to waive all rights of subrogation against the County, its agents, officers, employees, and volunteers for losses arising from work performed by Contractor for the County.

Before commencing to utilize employees in providing Services under this Contract, Contractor warrants that it will comply with the provisions of the California Labor Code, requiring Contractor to be insured for workers' compensation liability or to undertake a program of self-insurance therefor.

9. Errors and Omissions:

If §9 at page one (1) hereof shall indicate **Errors and Omissions** insurance is required, Contractor shall maintain either a professional liability or errors & omissions policy in the minimum amount indicated, and shall promptly provide proof of such insurance evidenced by a certificate of insurance, or other documentation acceptable to County.

10. Miscellaneous Insurance Provisions: (County Resolution Nos. 90-674, 90-675)

All policies of insurance required by this Contract shall remain in full force and effect throughout the life of this Contract and shall be payable on a "per occurrence" basis unless County specifically consents to "claims made" coverage. If the County does consent to "claims made" coverage and if Contractor changes insurance carriers during the term of this Contract or any extensions hereof, then

Contractor shall carry prior acts coverage. The following additional conditions apply to "claims made" coverage: In order for the acts and omissions of Contractor and all its agents during the term of this Agreement to be "continually covered" there must be insurance coverage for the entire contract period commencing on the effective date of this Agreement and ending on the date that is three (3) years beyond the final date this Agreement is effective, including any extensions or renewals of this Agreement. Contractor acknowledges that the provision of this Section may necessitate the purchase of "tail insurance" if coverage lapses. The requirement to maintain tail insurance shall survive termination of this Agreement.

Insurance afforded by the additional insured endorsement shall apply as primary and non-contributory insurance, and neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance maintained by County, its officers, agents and/or employees. Any insurance or self-insurance maintained by County, its officers, agents and/or employees shall be excess only and not contributing with insurance required or provided under this agreement.

At all times, Contractor shall keep and maintain in full force and effect throughout the duration of this Contract, policies of insurance required by this Contract which policies shall be issued by companies with a Best's Rating of B+ or higher (B+, B++, A-, A, A+ or A++), or a Best's Financial Performance Rating (FPR) of 6 or higher (6, 7, 8 or 9) according to the current Best's Key Rating Guide, or shall be issued by companies approved by the County Risk Manager. In the event the Best's Rating or Best's FPR shall fall below the rating required by this paragraph, Contractor shall be required to forthwith secure alternate policies which comply with the rating required by this paragraph, or be in material breach of this Contract.

Failure to provide and maintain the insurance policies (including Best's ratings), endorsements, or certificates of insurance required by this Contract shall constitute a material breach of this agreement (herein "Material Breach"); and, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both. (See §13, ¶2, below, as these provisions additionally apply to subcontractors.)

11. Indemnity:

Nothing herein shall be construed as a limitation of Contractor's liability, and Contractor shall indemnify, defend and hold harmless the County and its officers, officials, employees, agents and volunteers from any and all liabilities, claims, demands, damages, losses and expenses (including, without limitation, defense costs and attorney fees of litigation) which result from the negligent act, willful misconduct, or error or omission of Contractor, except such loss or damage which was caused by the sole negligence or willful misconduct of County or its officers, officials, employees, agents and volunteers.

Said insurance shall include all upstream parties (including the Contractor and the County) as additional insureds using a Blanket Additional Insured Endorsement (ISO form number CG 20 38 04 13) or coverage at least as broad. Contractor shall verify that all subcontractors provide a policy endorsement in compliance with this Paragraph and shall provide a copy of the same to County at least ten (10) working days prior to commencement of any work by subcontractor. Failure of Contractor to so cause and require such compliance by each transferee, subcontractor and assignee, or to timely provide County with a copy of the required policy endorsement, shall constitute a Material Breach of this agreement, and, in addition to any

other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both.

14. Licensing and Permits:

Contractor warrants (i) Contractor is qualified and competent to provide all Services under this contract; (ii) Contractor and all employees of Contractor hold all necessary and appropriate licenses therefor, including those licenses set forth at §14, page one (1) hereof; and, (iii) Contractor shall obtain, and remain in compliance with, all permits necessary and appropriate to provide said Services. Contractor shall cause said licenses and permits to be maintained throughout the life of this Contract. Schedule of Services
SPIRIT- Peers for Independence and Recovery, Inc.

Contractor agrees to provide Crisis Peer Supporters for the Nevada County Behavioral Health Crisis Team to enhance and expand services addressing unmet community needs as a component of the County's Mental Health Services Act (MHSA) Community Services and Supports (CSS) Plan.

This peer support program shall be comprised of two parts:

Part A: Crisis Peer Supporters to provide support and advocacy to individuals over 18 years of age in emotional crisis at the Sierra Nevada Memorial Hospital Emergency Department (SNMH-ED) and the Crisis Stabilization Unit (CSU). If a SPIRIT Crisis Peer Supporter is not already on-site, a Peer Supporter will go to the SNMH-ED or the CSU following a call from Triage or the Crisis Worker informing Contractor that an individual is coming into SNMH-ED or the CSU; and

PART B: Crisis Peer Supporters to provide follow up support, advocacy and resources to individuals as soon as possible after leaving the SNMH-ED or CSU, including those individuals who did not meet 5150 criteria.

Project Overview:

In the current environment of pervasive financial stressors, more and more people find themselves struggling to deal with emotional stress without adequate mental, emotional, financial, or educational assistance. The Nevada County Behavioral Health Crisis Team reports a dramatic increase in the number of 5150 evaluations for involuntary psychiatric hospitalization during the last four (4) years. This increase is not only in number of visits, but also in the number of people new to experiencing mental health crisis. Approximately 60% of people in mental health crisis have not previously been seen by the Crisis Team. The Crisis Team completes between 1,500 and 1,700 crisis evaluations per year for a 5150, or involuntary hold. At the time of evaluation, 70% of people do not meet Welfare and Institutions Code Section 5150 criteria, and may be released from the SNMH Emergency Department to the CSU, their home or to the streets. Individuals with psychiatric needs are a significant proportion of those using the emergency department resources.

Individuals with a psychiatric condition have higher rates of SNMH-ED use compared to the general population, and these individuals are likely to use the SNMH-ED on multiple occasions. Additionally, increasing numbers of individuals seeking help at the SNMH-ED have resulted in dramatic increases in wait times. In an effort to provide support during an SNMH-ED or CSU visit, and to introduce individuals in crisis to the other community mental health and related support services that are available, Crisis Peer Supporters will provide peer support services.

Access to follow-up mental health care is important. Crisis Peer Supporters will provide follow-up services that may help to avert repeated SNMH-ED visits, or prevent symptoms from increasing or escalating out of control. Contract services will be delivered with the goal of preventing any downward spiral including associated negative consequences that may result such as incarceration, or losing a job, a spouse, home, or family. Given the circumstances experienced by the peer supporters, the goal is to minimize the trauma associated with

undergoing a psychiatric evaluation and encourage an individual to get the support and assistance necessary to avoid future crisis.

Contractor's Crisis Peer Supporters participate in the Nevada County Behavioral Health (NCBH) Crisis Team in two ways:

PART A. A SPIRIT Crisis Peer Supporter provides support to an individual in the SNMH-ED or to the CSU while waiting for the Crisis Team 5150 assessment. The SPIRIT Crisis Peer Supporter goes to the SNMH-ED or the CSU following a call from Triage or the Crisis Worker informing them that an individual is coming into the SNMH-ED. The Crisis Peer Supporter at the SNMH-ED or CSU communicates with the NCBH Crisis Worker, CSU Staff and SNMH-ED staff as needed, to determine appropriate referrals to resources, and will act as an advocate for and educator to the individual by explaining and answering questions about resources offered by the Crisis Worker, adding information about additional community resources, as well as assisting the individual in developing a personal plan of action. The SPIRIT Crisis Peer Supporter does not provide transportation or legal advice, but may assist the individual in making transportation arrangements.

SPIRIT Crisis Peer Supporters offer SNMH-ED and CSU coverage during peak hours to provide peer support to individuals who have been, are being, or will be evaluated by the NCBH Crisis Team from 10 am to 8 pm 7 days per week.

PART B. For follow up with individuals after their 5150 evaluation and visit to the SNMH-ED or CSU, Crisis Peer Supporters shall provide additional support within one week of the SNMH-ED/CSU visit. The SPIRIT Crisis Peer Supporter contacts the individual by telephone the day after the SNMH-ED/CSU visit, if they have not been placed in a locked psychiatric facility, dependent upon SPIRIT center hours of operation. If telephone contact is not possible and the individual indicated a request for follow-up services, the SPIRIT Peer Supporter will attempt to meet with the individual at SPIRIT Center. All follow-up contacts will occur during regular working hours of SPIRIT Center.

Notwithstanding Contractor's legal status as an independent contractor, Contractor shall be deemed to be a County "workforce member" as defined by 45 CFR 160.103 strictly for purposes of Health Insurance Portability and Accountability Act of 1996 (HIPAA) compliance and ensuring the confidentiality of Protected Health Information (PHI). Contractor shall comply with all County policies, procedures and requirements related to HIPAA compliance.

GEOGRAPHIC AREA: All in-person services, Part A, will be provided at Sierra Nevada Memorial Hospital or the CSU and follow-up phone calls, Part B, will be made from the NCBH SPIRIT Crisis Peer Counseling office at the SPIRIT Center.

INTERAGENCY COORDINATION: To coordinate effectively with existing community services, SPIRIT Crisis Peer Supporters collaborate closely with the NCBH Crisis Workers, the CSU Staff and the SNMH-ED staff. SPIRIT Crisis Peer Supporters work as a part of the NCBH Crisis Team with regard to identifying which individuals need support and in information exchange with SNMH-ED and CSU staff.

PEER SUPPORTER QUALIFICATIONS: Contractor will perform and maintain records of criminal background checks on all prospective and current Crisis Peer Supporters. SPIRIT Crisis

Peer Supporters must comply with any and all hospital policies that are required to provide services while on hospital premises, which may include meeting medical clearance requirements. SPIRIT Crisis Peer Supporters must comply with any and all Nevada County Behavioral Health policies including those related to privacy, security and confidentiality. Non-compliance with the above mentioned policies by SPIRIT Crisis Peer Supporters could be considered a material breach of contract and trigger related penalties.

In addition, Contractor will continue to build on its existing referral network, including substance abuse treatment providers and homeless shelters.

TRAINING: All SPIRIT Peer Supporters are enrolled in and complete the 40 hour SPIRIT Peer Counseling program. Peer supporters will receive training from SPIRIT Center Supervisors. SPIRIT Peer Supporters are required to attend Privacy and Security training provided by SPIRIT Center administrative staff and all SPIRIT Crisis Peer Supporters are required to sign a confidentiality statement.

SUPERVISION: Ongoing supervision for PART A, at the SNMH-ED/CSU, includes approximately 8 hours per week of oversight to the program. The Supervisor will be responsible for the scheduling of the Crisis Peer Supporters, arranging the retrieval and storage of the documentation by Crisis Peer Supporters coordination of monthly staff trainings and taking phone calls from Crisis Peer Supporters during their shifts to address emergent clinical or administrative issues. The hospital's attending physician is responsible for the patient's treatment and disposition. Contractor's Crisis Peer Supporters are guided by the NCBH Crisis Worker(s) who are the primary communicator with the SNMH-ED Staff and the CSU staff.

For PART B, follow-up phone calls, supervision is provided by SPIRIT. In addition, all SPIRIT Crisis Peer Supporters participate in a monthly internal supervision meeting at SPIRIT Center. Crisis Peer Supporters also participate as needed in the bi-monthly NCBH Crisis Team meeting.

REFERRAL PROCESS: SPIRIT Center will maintain a Crisis Peer Supporter schedule and make it available to the Crisis Team at Behavioral Health and the CSU..

PART A: If the SPIRIT Crisis Peer Supporter is not onsite, the SPIRIT Crisis Peer Supporter will call the Crisis Team at the beginning of each shift, then they will call the CSU Team to see if services are needed. When services are needed by the Crisis or CSU Team, as determined by information received via the phone contact made with both teams, or calls made to the Peer Supporter, the Peer Supporter on duty for that shift will coordinate the scheduled support with the Crisis and CSU team. The SPIRIT Crisis Peer Supporter will then go to the SNMH-ED/CSU and collaborate with the NCBH Crisis Worker before engaging with the individual.

CONTINUITY OF CARE: SPIRIT staff coordinates with NCBH Crisis Team members in regular interagency staff meetings to ensure continuity of care.

CONFIDENTIALITY: Contractor, SNMH, CSU and the NCBH Crisis Team have developed a procedure to facilitate referral coordination, while complying with all confidentiality requirements, including HIPAA/ HITECH regulations.
