RESOLUTION TERMINATING THE DECLARATION OF A LOCAL EMERGENCY IN NEVADA COUNTY DUE TO THE AIRPORT HANGAR FIRE

WHEREAS, in the event of an emergency, Public Contract Code Sections 20134 and 22050(a) authorize the County, by a 4/5 affirmative vote of the Board of Supervisors, to repair or replace a public facility, take any directly related to or immediate action required by the emergency, and procure the necessary equipment, services, and supplies for said purposes, without giving notice for bids to let contracts; and

WHEREAS, on May 22, 2018, by Resolution 18-204, the Nevada County Board of Supervisors declared a local emergency due to a fire at a County-owned airport hangar (“the Airport Hangar Fire”), and the aforesaid emergency necessitates the need for the immediate expenditure of public monies to protect health, safety and property without complying with competitive bidding requirements; and

WHEREAS, Public Contract Code section 22050 requires that said local emergency be reviewed and re-affirmed at every regularly scheduled Board meeting until the local emergency is terminated; and

WHEREAS, since the emergency was declared, staff has successfully worked with the tenant and plane owners to clear all hangar contents, detached and hauled away the damaged hangar door, and executed agreements with American Technologies Inc. (ATI) for fire debris clean-up/hazardous material removal and Degenkolb Engineering for structural investigation; and

WHEREAS, on October 9, 2018, by Resolution 18-499, the Nevada County Board of Supervisors approved the plans and specifications for the repair of the roof, shell and door which were utilized to contract with Stoney Creek for the repair work; and

WHEREAS, Stoney Creek has completed the exterior repair work and the Nevada County Building Department has inspected the work; and

WHEREAS, the fire suppression system and basic electrical repair has been completed and inspected; and

WHEREAS, the remaining work related to restoring tenant improvements and additional building code updates does not necessitate an emergency declaration and will follow standard county and purchasing processes.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of the County of Nevada hereby terminates the Local Emergency in Nevada County due to the Airport Hangar Fire.
