NEVADA COUNTY BOARD OF SUPERVISORS

Board Agenda Memo

MEETING DATE: April 7, 2026
TO: Board of Supervisors
FROM: David Garcia, Director of Public Works
SUBJECT: Resolution approving an exchange program agreement No X26-5917(126) for the Federal Apportionment Exchange Program and State Match Program – All Districts

RECOMMENDATION: Approve the attached resolution.

FUNDING: These funds have been programmed into the Capital Improvement Plan 2026 (CIP) and impacts Fiscal Year 2025/26. There is no impact to the County General Fund, and a budget amendment is not needed.

BACKGROUND: Section 182.6 and 182.9 in the Streets and Highways Code include provisions for counties to exchange their federal apportionment Regional Surface Transportation Program (RSTP) funds annually to fund local transportation projects. Counties have the option to exchange these federal dollars for non-federal State Highway Account funds per provisions of Senate Bill 1435 and Streets and Highways Code Section 182.6. Exchange of these federal dollars for state dollars allows for increased flexibility in the use of these funds to complete transportation projects. Funds received by the County under these provisions of the Streets and Highways Code must be used for transportation purposes but are not subject to federal funding restrictions.

The State has informed Nevada County that \$286,695 of the 2025/26 RSTP apportionment is now available for exchange. In addition, the County's annual disbursement of State matching monies from the State Highway Account is now available for 2025/26 in the amount of \$100,000.

In order to exchange the RSTP and receive the State matching funds, the attached copies of Exchange Program Agreement No. X26-5917(126) must be approved and executed. This agreement provides for the exchange of Nevada County's Federal Apportionment funds for an equal amount of non-federal State Highway Account funds and the disbursement of State matching funds for Fiscal Year 2025/26. These funds have been programmed in the Capital Improvement Plan 2026 (CIP) for capital projects and general maintenance.

Attachments:

1. Resolution approving exchange program agreement to No X26-5917(126) for the Federal apportionment Exchange Program and State Match Program
2. Agreement No. X26-5917(126)
