BACKGROUND: On February 26, 2019, the Board of Supervisors adopted Resolution No. 19-081 approving the bidding documents and authorizing the bid solicitation for the 2019 Road Rehabilitation Project. Six bids for the project were opened on Thursday, March 28, 2019 and are listed below. The bids have significantly exceeded the project budget. After evaluating the bids, the department recommends that all bids be rejected.
