## NEVADA COUNTY BOARD OF SUPERVISORS Board Agenda Memo

---

**MEETING DATE:** December 14, 2021  
**TO:** Board of Supervisors  
**FROM:** Steve Monaghan, Chief Information Officer  
**SUBJECT:** Public hearing to adopt the final Nevada County Supervisorial District Map

---

**RECOMMENDATION:** Hold the public workshop and adopt the Resolution.

**FUNDING:** N/A

**BACKGROUND:**

Every ten years, local governments use new census data to redraw their district lines to reflect how local populations have changed. Assembly Bill 849 (2019) requires cities and counties to engage communities in the redistricting process by holding public hearings and/or workshops and doing public outreach. In Nevada County, the Board of Supervisors is responsible for drawing supervisorial districts. Redistricting is done using U.S. Census data, which is released around October 20, 2021. For the County of Nevada, the redistricting process must be completed by December 15<sup>th</sup>.

On July 29, 2021 the Information and General Services Agency held the 1<sup>st</sup> of 4 Public Workshops at 6:00 pm where members of the public received a presentation and were able to ask questions and provide community input. At the August 24, 2021 Board of Supervisors meeting the Board of Supervisors and public received a presentation from our consultant Douglas Yoakam of the National Demographics Corporation on the redistricting process and permissible criteria to be considered to redraw Board of Supervisors election district boundaries and received public comment. At the November 9<sup>th</sup> meeting the Board of Supervisors and the public received a presentation reviewing three draft scenarios proposed for the Supervisorial districts. At the November 16<sup>th</sup> meeting the Board of Supervisors and the public reviewed and provided direction to bring back a final map based on the feedback from the draft map scenarios proposed.

At the December 14, 2021 Board of Supervisors meeting a Public Hearing will be held on the Final Supervisorial District Map and the Board will adopt the updated Supervisorial Districts as shown in Exhibit A and available on the County's Redistricting website at [2021 COUNTY OF NEVADA REDISTRICTING | Nevada County, CA \(mynevadacounty.com\)](https://www.mynevadacounty.com/2021-county-of-nevada-redistricting).
