Congratulations!

Your library has been selected to participate in the 2019/20 “Maximizing Learning Spaces or How to MacGyver Your Library” project! Your library will receive up to \$10,000 in reimbursement for movable furnishings to realize your vision for your reimagined library space.

I am the grant’s project manager and am here to help you succeed. I’ll be reaching out soon to schedule a call to discuss the grant, your individual project, and next steps. You’re also welcome to contact me with any questions.

The California State Library is pleased to partner with the Southern California Library Cooperative to offer this exciting project and we’re looking forward to seeing photos of your completed space and hearing your story at our end of project meeting in July 2020.

Best wishes for success and welcome to the project!

Sincerely,

Christian Theyer
