SUBJECT: Recommendation to non-renew Williamson Act Contract AG 89-08; APN 50-400-04

During its regularly scheduled meeting on August 19, 2015, the Agricultural Advisory Commission discussed a non-renewal recommendation for the Liskin Williamson Act Contract.

Ms. Liskin responded to a Williamson Act Survey in 2013 indicating she had no agricultural operations on the property. Commissioner Flores confirmed this when she did a site visit to the property last week. Ms. Liskin was notified and signed a certified letter that the AAC would be discussing this at the August AAC Meeting and that a recommendation would be made that may include a non-renewal. Ms. Liskin's neighbors were also notified of the meeting. Ms. Liskin has not been in contact with staff and did not attend the meeting.

Commission Chair Jochim called for a motion to recommend a non-renewal for the Liskin Williamson Act Contract. Commission Member Johansen made the motion. Commission Member Hoek seconded the motion. **The motion was carried unanimously with none opposed.**
