RE: Outdoor Visitor Safety Fund - Round #2 (RFA No. 168078)

Van Norden Meadow Restoration and Recreation Project: Trailhead Development

Dear Ms. Belding:

The South Yuba River Citizens League (SYRCL) is pleased to submit its application for the Van Norden Meadow Restoration and Recreation Project: Trailhead Development

Enclosed are the following materials:

- The Application
- Budget Form (B)
- Letter of Support from the US Forest Service
- SYRCL's Financial Documents -- CONFIDENTIAL
 - o 990 Tax Returns FY21-22
 - o SYRCL's FY21-22 audited financial statement

Should you have any questions or require additional information, please feel free to reach out to me or Alecia Weisman, Headwaters Science Program Director at alecia@yubariver.org.

Sincerely,

Aaron Zettler-Mann

Interim Executive Director Office: 530-265-5961 x 221 Aaron@yubariver.org Tab A: ENTITY DESCRIPTION (approximately 500 words): Provide a brief description of your entity including mission, goals, and history in Nevada County. Provide the name(s) of the principal(s) responsible for the entities' organizational operations. Be sure to include their qualifications. Describe the community served by your entity.

Headquartered in Nevada City, the South Yuba River Citizens League (SYRCL) is the leading advocate for water quality protection, river health, and watershed restoration within the Yuba Watershed. We formed in 1983 to prevent new dams being built on the South Yuba, a goal we reached in 1999. Nearly 40 years later, we are widely recognized as one of the most effective watershed groups in the United States.

SYRCL's MISSION is to unite the community to protect and restore the Yuba River watershed. Our Watershed Science Department oversees the water quality monitoring program, restores imperiled headwater meadows and floodplain habitats in the lower Yuba River, and participates in large forest health efforts. Our River People Department mobilizes thousands of volunteers to protect our public lands and advocate for clean water. Our world-class environmental film festival – the Wild & Scenic Film Festival – reaches more than 100,000 audience members annually around the world, inspiring them to take action for a sustainable future.

SYRCL serves the Yuba watershed. The breadth of our work—restoration, forest health, education, community engagement—takes place in Nevada, Sierra, Placer and Yuba counties.

Aaron Zettler-Mann is the Interim Executive Director and Watershed Science Director. Dr. Zettler-Mann will work closely with the Headwaters Science Program Director, Alecia Weisman, to oversee this grant and ensure the deliverables are met.

Aaron Zettler-Mann has a PhD in Fluvial Geomorphology from the University of Oregon. Dr. Zettler-Mann provides support for and oversees all restoration projects in SYRCL's Watershed Science Department.

Alecia Weisman has an MS in Hydrology from the University of Nevada—Reno. Ms. Weisman manages planning, implementation, monitoring, reporting and outreach for meadow restoration projects at SYRCL, including Van Norden Meadow.

Tab B: COVID-19 IMPACTS (approximately 500 words): Note: Assessing whether a program or service "responds to" the COVID—19 public health emergency requires the recipient to, first, identify a need or negative impact of the COVID—19 public health emergency and, second, identify how the program, service, or other intervention addresses the identified need or impact. Describe the economic harm your organization experienced because of the pandemic as it relates to the ARPA guidelines (see 6.0). Describe the impact of COVID-19 on your industry. Describe impact of COVID-19 related to your proposed project site(s).

Due to COVID-19, SYRCL cancelled fundraising events that supported education and public safety outreach in 2020, 2021, and 2022. Major funders withdrew education grants and national-level sponsors cancelled pledges for the Wild & Scenic Film Festival (WSFF). Fee-for-service revenue dropped, as dozens of organizations who franchise the WSFF cancelled contracts. We lost hundreds of volunteer hours for critical tasks that staff were then required to perform. SYRCL had to adapt to the social distancing and stay-at-home advisories. This required investing in the following: laptops for telework; an online platform for the WSFF; staff time to develop safety protocols, monitor water quality, post safety signage at the river, and produce content for elearning; vehicle expenses to ensure social distancing among field staff.

SYRCL's industry or "line of work" is protecting and restoring the Yuba River watershed which includes dealing with visitor impacts and safety issues throughout the watershed. We are taking the lead in requesting resources for a much-needed COVID response for improved infrastructure throughout the Yuba that will aid visitor health and safety.

Public land managers estimate that the Yuba River visitation has increased by 40% as a result of COVID-19. This situation is over-taxing safety personnel from county, state, and federal agencies, like the USFS staff at the Tahoe National Forest. Local infrastructure is impacted, too: roads, parking, trails, waterways, bridges, etc. Data shows that most visitors are from out of the region and are often first-time visitors. This surge has highlighted the need to address the lack of infrastructure services, which exacerbates the negative social, environmental, safety, and community impacts from COVID-driven visitation. Additionally, it is anticipated visitation will continue to increase now that more people have experienced the magic and beauty of the Yuba River Watershed and Tahe National Forest.

COVID-19 has also contributed to increased visitation to the Donner Summit area, and has magnified the need for a formal trail, bathroom, and trailhead services at Van Norden Meadow on the Tahoe National Forest. The proposed project will reduce the strain imposed on the Donner Summit by providing trailheads that are easily accessible from I-80, complete with vault toilets which will reduce environmental health concerns in the area.

Tab C: PROJECT DESCRIPTION (approximately 500-1500 words): Describe your project in detail including where it is located, and how it will promote community health, safety, and economy, protect the environment, and enhance resilience. Please include basic timeline for project, including key milestones. Note: Funds must be obligated (i.e. under contract) by 12/31/24 and funds must be expended with all work performed and completed by 12/31/26. Describe how this proposal directly responds to the negative impacts of the COVID-19 (described in 8.4(a) above) pandemic consistent with ARPA guidelines (include relevant citations from the Interim Final Rule and/or the FAQs as needed).

This grant request is focused on funding the development of trailheads at Van Norden Meadow as part of the larger Van Norden Meadow Restoration and Recreation Project, on Donner Summit in the Tahoe National Forest. This project is shovel ready and will focus on the first piece of the recreation plan, resulting in two trailheads with native surface parking lots, double vault toilets, and trailhead and interpretive signage.

The restoration portion of the Van Norden Meadow Restoration and Recreation Project focuses on restoring 485 acres of high elevation meadow that supports climate resilient habitat for a variety of avian, terrestrial, and aquatic species and produces outsized ecosystem benefits such as delayed peak season flows, increased groundwater levels, improved water quality, decreased high severity fire danger, and improved carbon storage capacity. The recreation portion of this project includes improving the existing user created trail system, adding new trail sections to create a cohesive trail loop around the meadow, building safe and accessible stream crossings and adding two parking areas with bathrooms, trailheads, and educational signage.

Public access opportunities to high elevation meadows are limited. These ecosystems support unique birding, wildlife viewing, fishing, and recreation opportunities but are often not equipped with trails that are ADA accessible, educational, or protective of sensitive habitats. Currently, Van Norden Meadow has a network of user created summer trails that are causing damage to sensitive wildlife habitat and are impinging on cultural resources. In tandem with the meadow restoration project that began construction in 2022, we will improve, reroute, connect and construct up to 5 miles of multi-use trail to enhance equitable access and maintain environmental quality by 1) minimizing the potential for disturbance to sensitive wildlife habitat through improved parking and trailhead areas with bathrooms, 2) providing ADA accessible trail access, including boardwalks and bridges, to this unique habitat, and 3) promoting the aesthetic and educational benefits that a restored meadow provides by building viewing platforms/decks and developing bilingual interpretive signage.

This project directly responds to COVID-19 impacts, as COVID-19 has contributed to increased visitation to the Donner Summit area, and has magnified the need for a formal trail, bathroom, and trailhead services at Van Norden Meadow. The proposed project will reduce the strain imposed on Donner Summit and the Tahoe National Forest by providing trailheads that are easily accessible from I-80, complete with vault toilets which will reduce environmental health concerns in the area.

Timeline:

August - December 2023 Interpretive signage content development
 January 2024 - July 2024 Equipment ordered and delivery scheduled
 August 2024 - October 2024 Trailhead completion, installing signage and vault toilets
 July 2025 - October 2025 Water quality and vegetation monitoring

Tab D: COMMUNITY BENEFIT (approximately 250-500 words): Describe how this project/program will promote equitable access to recreation, enhance public health and safety, promote economic development, preserve environmental assets, and promote resilience with impactful, measurable outcomes.

Van Norden Meadow is on Donner Summit and is less than one mile from the community of Soda Springs. Due to the proximity to I-80, this area is gaining popularity for both winter and summer sports. The community of Donner Summit and Soda Springs has identified the need to provide centralized recreation opportunities that focus on the existing abundance of natural and cultural resources in the area. Van Norden Meadow has been identified as a place of particular significance due to its abundance of natural and cultural resources, both historic and prehistoric, and has been selected by the Donner Summit Association as the location for Hub-West which will serve as a centralized location for visitors.

This project addresses top priorities that were identified in two local planning and public use documents, The Soda Springs Area Plan and the Donner Summit Public Use, Trails, and Recreation Facilities Plan, in that it improves recreation opportunities, community access, and ecological quality of the 485-acre project area. The Soda Springs Area Plan document highlights Van Norden Meadow as an attractor for visitors and was identified as a top priority because of its expected benefits to economic activity in the area. A trail within Van Norden Meadow that connects to adjacent trail networks has been identified as a top priority within the Donner Summit Public Use, Trails, and Recreation Facilities Plan. This project will achieve that goal of connecting to adjacent trails, and has been aligned to protect cultural resources, while promoting both the prehistoric and historic value of the area, using educational signage to honor the complex history of the Summit Valley area. Bathrooms have also been identified as high priority by both the Donner Summit Association (DSA) and the Tahoe National Forest (TNF) to support the increasing number of visitors in the Donner Summit area.

The first piece of the recreation plan will be targeted in this grant request and includes completion of two trailheads, each with interpretive signage, native surface parking lots and double vault toilets. The primary outcome of the project will be two completed trailheads with two double vault toilets. These outcomes will reduce environmental impacts associated with visitor use. SYRCL has an in-depth monitoring program at Van Norden Meadow, monitoring

water quality and vegetation as a way to measure whether environmental impacts are being reduced.

Tab E: LEVERAGING PARTNERSHIPS AND RESOURCES (approximately 250-500 words): Describe how your entity will leverage additional partnerships, funding and other resources as part of this proposal.

Through several public meetings and onsite tours, the Van Norden Meadow Restoration and Recreation project has received an outpouring of public support from the Soda Springs and Donner Summit Community. Project partners include the Tahoe National Forest, Truckee Donner Land Trust, Nevada County (CEQA Lead Agency), Placer County, The Washoe Tribe, Donner Summit Association, Soda Springs/Boreal (POWDR Corp) and Sugar Bowl/Royal Gorge.

To date, the recreation component of the project has received \$500,000 in funding from Placer County's TOT Tourism Master Plan program to address the meadow bi-sect road portion of the proposed trail which needed significant drainage and surface improvements. This portion of the trail cuts across the meadow and is gated for vehicle use by PGE, Sugar Bowl and TNF, but is primarily used by recreationalists such as hikers, mountain bikers and equestrians. These trail/road improvements were completed in 2022 in tandem with implementation of Phase 1 of the meadow restoration project which has secured funding from the Martis Fund, Truckee Donner Land Trust, CDFW, WCB, TNF and NFWF to complete planning, implementation, and scientific monitoring.

Moving forward, targeting the two planned trailhead parking areas with interpretive signage and vault toilets in 2023 and 2024, SYRCL will leverage existing match for this specific piece. The National Forest Foundation has committed \$19,000 in cash toward the development of the trailheads; CDFW (secured cash) and TNF (In-kind) match will be used to grade the parking areas and complete interpretive signage. If Nevada County OVSF grant funds are received, they will be used to leverage additional funding from the Martis Fund and Placer County to achieve the full trail construction in 2024 and 2025.

Tab F: MANAGEMENT CAPACITY AND MEASURABLE OUTCOMES (approximately 250-500 words): Describe how your entity will manage, implement, measure and report as part of this proposal.

SYRCL will serve as the lead entity for this project, which will include managing the overall contract, paying contractors, and coordinating with the Tahoe National Forest. SYRCL will complete all grant reporting requirements, as outlined in the final grant contract. Additionally, SYRCL will handle communications and social media to build awareness and public support for this project.

The Tahoe National Forest (TNF) will complete internal agency approvals and will work with SYRCL staff to manage the overall site preparation, and new restroom construction. The TNF will be responsible for ongoing maintenance and repair of the toilets.

As a primary outcome, the new trailheads and new double vault toilets will generally improve accessibility and visitor services (health & safety) and reduce human impacts on Van Norden Meadow at the headwaters of the Yuba River. It will be a marketable eco-tourism benefit and help the community and land managers accommodate visitation growth and provide an economic & public safety benefit. We will report on the progress and benefits of this project through SYRCL's annual impact report, website, and social media.

As a result of the primary outcome of the project, we expect reduced environmental impacts associated with visitor use. SYRCL staff will measure the following indicators to track expected benefits: water quality and vegetative cover. These indicators have been measured through collection of baseline data and will continue to be measured following recreation improvements.

Tab G: BUDGET AND FINANCIALS (approximately 500 words for items "a" and "b" below; items "c" and "d" below are separate attachments): What is your total funding request for this grant? (Maximum grant request capped at \$200,000. Applicants should request a grant amount that reflects what is necessary to accomplish project goals. The County reserves the right to recommend an amount more or less than the total requested). Provide a brief budget narrative to accompany "Attachment B: Line-Item Budget," summarizing major expenses and other sources of revenue including matching funds. Be sure to list sources and amounts of matching funds in your budget. (Note: Matching funds are not required but are strongly encouraged, and demonstration of leveraged resources and matching funds will affect score).

The total funding request for this grant is \$59,000.00.

The total project cost is \$108,000, with \$49,000 (or 45%) secured match. Match funds include \$19,000 in cash match toward expenditures being provided by the National Forest Foundation (listed as *Other Partner Funds* on budget form). The California Department of Fish and Wildlife is providing \$20,000 in cash match that will go toward interpretive signage development and parking area grading (listed as *State Funds* on budget form). The Tahoe National Forest is providing \$10,000 in In-Kind match to assist with Trailhead Development.

SYRCL staff time to manage the project totals \$16,500. The services and supplies line item includes supplies to be purchased to build the kiosks and services rendered to develop interpretive signage and grade parking areas (\$39,000). The total equipment costs for one double vault toilet and two roofed, 2-panel interpretive sign trailhead kiosks are included in the equipment purchases line item and total \$40,000. The contracts for service delivery line item includes the cost to install the double vault toilets and the kiosks and totals \$12,500.

Section A. All Supporting Organizations

- 1 Are all of the organization's supported organizations listed by name in the organization's governing documents? If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.
- 2 Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? If "Yes," explain in Part VI how the organization determined that the supported organization was described in section 509(a)(1) or (2).
- 3a Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? If "Yes." answer lines 3b and 3c below.
- b Did the organization confirm that each supported organization qualified under section 501(c)(4), (5), or (6) and satisfied the public support tests under section 509(a)(2)? If "Yes," describe in Part VI when and how the organization made the determination.
- c Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)(B) purposes? If "Yes," explain in Part VI what controls the organization put in place to ensure such use.
- 4a Was any supported organization not organized in the United States ("foreign supported organization")? |f "Yes," and if you checked box 12a or 12b in Part I, answer lines 4b and 4c below.
- b Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? If "Yes," describe in Part VI how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.
- c Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? If "Yes," explain in Part VI what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.
- 5a Did the organization add, substitute, or remove any supported organizations during the tax year? If "Yes." answer lines 5b and 5c below (if applicable). Also, provide detail in Part VI, including (i) the names and EIN numbers of the supported organizations added, substituted, or removed; (ii) the reasons for each such action; (iii) the authority under the organization's organizing document authorizing such action; and (iv) how the action was accomplished (such as by amendment to the organizing document).
- b Type I or Type II only. Was any added or substituted supported organization part of a class already designated in the organization's organizing document?
- c Substitutions only. Was the substitution the result of an event beyond the organization's control?
- Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (i) its supported organizations, (ii) individuals that are part of the charitable class benefited by one or more of its supported organizations, or (iii) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? If "Yes." provide detail in Part VI.
- 7 Did the organization provide a grant, loan, compensation, or other similar payment to a substantial contributor (as defined in section 4958(c)(3)(C)), a family member of a substantial contributor, or a 35% controlled entity with regard to a substantial contributor? If "Yes," complete Part I of Schedule L (Form 990).
- Did the organization make a loan to a disqualified person (as defined in section 4958) not described on line 7? If "Yes." complete Part I of Schedule L (Form 990).
- 9a Was the organization controlled directly or indirectly at any time during the tax year by one or more disqualified persons, as defined in section 4946 (other than foundation managers and organizations described in section 509(a)(1) or (2))? If "Yes," provide detail in Part VI.
- b Did one or more disqualified persons (as defined on line 9a) hold a controlling interest in any entity in which the supporting organization had an interest? If "Yes." provide detail in Part VI.
- c Did a disqualified person (as defined on line 9a) have an ownership interest in, or derive any personal benefit from, assets in which the supporting organization also had an interest? If "Yes," provide detail in Part VI.
- 10a Was the organization subject to the excess business holdings rules of section 4943 because of section 4943(f) (regarding certain Type II supporting organizations, and all Type III non-functionally integrated supporting organizations)? If "Yes," answer line 10b below.
 - b Did the organization have any excess business holdings in the tax year? (Use Schedule C. Form 4720, to determine whether the organization had excess business holdings.)

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of South Yuba River Citizens League Nevada City, California

Opinion

We have audited the accompanying financial statements of South Yuba River Citizens League (the "Organization"), a non-profit organization, which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of South Yuba River Citizens League as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of South Yuba River Citizens League and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about South Yuba River Citizens League's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of South Yuba River Citizens League's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about South Yuba River Citizens League's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

huampour Snavis Blown X Inshu LY

In accordance with Government Auditing Standards, we have also issued our report dated November 8, 2022 on our consideration of the South Yuba River Citizens League's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the South Yuba River Citizens League's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the South Yuba River Citizens League's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 31, 2022 AND 2021

1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization – South Yuba River Citizens League (the "Organization") was incorporated in 1983, in the state of California as a nonprofit organization as defined under Section 501(c)(3) of the Internal Revenue Code. The purpose of the Organization is to unite the community to protect and restore the Yuba River watershed. To that end, the Organization provides a River Science Program for riparian habitat rehabilitation, meadow restoration, invasive species removal, water quality monitoring, and watershed education. The Organization also hosts a Wild and Scenic Film Festival annually, and a year-round On Tour Program that benefits over 150 communities world-wide to screen environmental films, hosts filmmakers, and provide workshops. The Organization provides extensive public education programs to schools throughout the watershed and organizes an annual River Cleanup to pick up trash along the banks of the Yuba River. In addition, the Organization educates and informs the public about emerging threats to Yuba River watershed and engages in key public processes on behalf of its membership.

Basis of Accounting – The financial statements of the Organization have been prepared on the accrual basis of accounting and according to current accounting standards, which require all nonprofit organizations provide a statement of financial position, a statement of activities and changes in net assets, and a statement of cash flows. A separate presentation of expenses by functional classification and expenses by natural classification is also required. Classification of net assets and revenues, expenses, gains, and losses is based on the existence or absence of donor-imposed restrictions. The standards also require that the amounts for each of the two classes of net assets – net assets with donor restriction and net assets without donor restriction be displayed in a statement of financial position and that the amounts of change in each of those classes of net assets be displayed in a statement of activities and changes in net assets. At June 30, 2022 and 2021, the Organization only had net assets without donor restrictions.

Donated Goods and Services – Effective July 1, 2021, the Organization adopted FASB Accounting Standards Update ("ASU") 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The guidance requires nonprofit entities to present contributed nonfinancial assets as a separate line item in the statement activities and changes in net assets, apart from contributions of cash or other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. Adoption of this standard did not have a significant impact on the financial statements, with the exception of increased disclosure.

The Organization recognizes contributions of nonfinancial assets if the goods and services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The Organization recognizes contributions of nonfinancial assets as revenue and a corresponding expense in an amount approximating the estimated fair value at the time of the donation.

Revenue Recognition — The Organization recognizes revenue in accordance with ASU 2014-09, *Revenue from Contracts with Customers*, which provides that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those good or services.

Donated Goods and Services – Donated goods and services are recognized in accordance with ASU 2020-07 as described above.

1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions and Grants – The Organization recognizes revenue from contributions in accordance with ASU 2018-08, Not-For-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. In accordance with ASU 2018-08, the Organization evaluates whether a transfer of assets is (i) an exchange transaction in which a resource provider is receiving commensurate value in return for the resources transferred or (ii) a contribution. If the transfer of assets is determined to be an exchange transaction, the Organization applies guidance under ASU 2014-09. If the transfer of assets is determined to be a contribution, the Organization evaluates whether the contribution is conditional based upon whether the agreement includes both (i) one or more barriers that must be overcome before the Organization is entitled to the assets transferred and promised and (ii) a right of return of assets is transferred or a right of release of a promisor's obligation to transfer assets.

Revenue from grants determined to be exchange transactions is recognized to the extent of incurred expenses, up to the grant or contract ceiling. Any excess of expenses incurred over cash received is recorded as a grant receivable; any excess of cash received over expenses incurred is recorded as contract advances (deferred revenue) and restricted cash. Any of the funding sources may, at its discretion, request reimbursement for expenses, return of funds, or both, as a result of noncompliance by the Organization with the terms of the grants or contracts.

Contributions, including unconditional promises to give, are reported as revenue when received. The Organization also distinguishes between contributions received that increase net assets with donor restriction and net assets without donor restriction, and requires recognition of the expiration of donor-imposed restrictions in the period in which the restrictions expire.

Program Services Fees – Program services fees primarily consist of Film Festival and Film Festival On Tour revenues, as well as education program revenues. The Organization recognizes revenue when the event takes place.

Membership Dues – The Organization recognizes revenue from memberships ratably over the annual membership term.

Fundraising Income – The Organization records special event and fundraiser revenues equal to the fair value of direct benefits to donors.

Cash and Cash Equivalents – The Organization considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents. The Organization maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts and management believes its is not exposed to any significant credit risk with regards to its cash.

Grants Receivable – Grants receivable represent amounts due from governmental and non-governmental grant funding sources. The Organization uses the allowance method with respect to its grants receivable. Management of the Organization closely monitors the outstanding balances at year-end and writes off any balance they believe will not be collected. Losses on uncollectible grants receivable are recognized when such losses are known or indicated. Some grants retain 5-10% of the funds as retention until all of the grant work is completed. At June 30, 2022 and 2021, no allowance for doubtful accounts was deemed necessary, as management considers all grants receivable outstanding fully collectible.

Other Receivables – Other receivables consist primarily of receivables related to the Organization's On Tour Program. The On Tour Program is offered to communities world-wide to screen environmental films, hosts filmmakers, and provide workshops. All amounts outstanding are deemed fully collectible.

1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Inventory – Inventory, consisting primarily of merchandise, is stated at the lower of cost or market under the first-in, first-out method of accounting.

Property and Equipment – Property and equipment is stated at cost or fair market value at the date of purchase or donation. Depreciation is provided over the estimated useful life of the assets using the straight-line method (5 - 39 years). Donations of property and equipment are recorded as contributions at their appraised or estimated fair value. It is the Organization's policy to capitalize property and equipment valued over \$2,000 with a useful life in excess of one year.

Concentrations of Credit Risk – Grant revenues from three agencies comprise approximately 59% of total grant revenues, and 52% of total programs revenues for the year ended June 30, 2022. Grant revenues from two governmental agencies comprise approximately 58% of total grant revenues and 47% of total program revenues for the year ended June 30, 2021.

The majority of the grants receivable are from governmental agencies. Five and two grantors accounted for approximately 96% and 64% of the outstanding grants receivable at June 30, 2022 and 2021, respectively. Historically, the Organization has collected amounts due in the subsequent year.

Functional Expenses – Expenses are presented by the natural expense classifications by program and support area for the years ended June 30, 2022 and 2021. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on specific identification, allocation of time spent, or management estimates.

Income Taxes – The Organization, a voluntary health and welfare organization, is exempt from Federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. The Organization has not entered into any activities that would jeopardize its tax-exempt status. In addition, there is no unrelated taxable income, and accordingly there is no provision for income taxes in these financial statements. The Organization files information returns with the Federal and state governments, which are open for examination by the authorities for three years after filing.

Advertising – Advertising costs are expensed in the period in which the advertising takes place. Advertising expense amounted to approximately \$16,000 and \$8,000 for the years ended June 30, 2022 and 2021, respectively.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Subsequent Events – Management of the Organization has evaluated the effects of all subsequent events through November 8, 2022, the date which the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

2. LIQUIDITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the date of the statements of financial position, comprise approximately the following at June 30:

		2022	2021
Cash and cash equivalents	\$	229,000	\$ 381,000
Grants receivable		833,000	404,000
Other receivables		78,000	 102,000
	<u>\$</u>	1,140,000	\$ 887,000

As described further in Note 6, the Organization also has a line of credit available through a financial institution, for borrowing up to \$100,000, which could be drawn upon in the event of an unanticipated liquidity need.

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. In addition to financial assets available to meet general expenditures over the next 12 months, the Organization operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

3. GRANTS RECEIVABLE

The grants receivable are unconditional and due within one year. Grants receivable consisted of the following at June 30:

	2022	2021
California Department of Fish and Wildlife	\$ 188,288	\$ 160,492

	710,489	670,311
Less current portion	29,350	 15,005
Long-term portion	\$ 681,139	\$ 655,306

Principal maturities of long-term debt for the years subsequent to June 30, 2022 are as follows:

2023	\$ 29,350
2024	31,032
2025	32,997
2026	29,114
2027	18,838
Thereafter	569,158

The Organization is required to meet certain non-financial covenants pursuant to its long-term debt obligations. The Organization was in compliance with such covenants as of June 30, 2022.

8. PAYCHECK PROTECTION PROGRAM LOAN

In April 2020, the Organization received a loan in the amount of \$244,300, at a fixed rate of 1.00% payable over two years, pursuant to the Paycheck Protection Program ("PPP") under Division A, Title I of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), enacted on March 27, 2020. Under the terms of the PPP, if the proceeds were used for eligible costs, the loan could be forgiven in its entirety. The Organization used the proceeds from the loan for eligible costs, consisting of payroll costs, health benefits, and other eligible costs during the covered period.

On March 26, 2021, the Organization was approved for full loan forgiveness by the Small Business Administration. Debt forgiveness income in the amount of \$244,300 was recorded as other income on the statement of activities and changes in net assets for the year ended June 30, 2021.

9. RETIREMENT PLAN

The Organization offers a retirement plan to its employees, and acts as the administrator to the retirement plan (the "Plan"). Any employee who is 21 years of age or older and has worked for the Organization for 30 days is eligible to enroll in the Plan on the first day of the calendar month following the meeting of the eligibility criteria.

9. RETIREMENT PLAN (continued)

Beginning in August 2021, the Organization contributed 100% of the first 2% of the employee's contributions. Contributions by the Organization to the retirement plan for the year ended June 30, 2022 were approximately \$15,600 and are recorded as a component of employee benefits on the statement of functional expenses for the year ended June 30, 2022. The Organization did not make any contributions to the Plan for the year ended June 30, 2021.

10. COMMITMENTS AND CONTINGENCIES

From time to time, the Organization is involved in legal proceedings relating to claims arising out of its operations in the normal course of business. The Organization does not believe that it is party to any proceedings at the present time that could have a material adverse effect on the business, financial condition, results of operations, or cash flows of the Organization.

11. DONATED GOODS AND SERVICES

The Organization's financial statements include the following donated goods and services for the years ended June 30:

	2022	2021
Roof and solar panels	\$ 41,908	\$ _
Program goods	30,375	6,810
Advertising	11,710	6,980
Royalties	5,760	-
Consulting	5,308	-
Hotel rooms	5,000	1,800
Sponsorships	1,000	-
Conference fees	925	-
Food	611	150
Underwriting match	-	3,500
Other	 	6,065
	\$ 102,597	\$ 25,305

Donated goods – Contributed roof and solar panels received by the Organization were recorded as contributions of non-financial assets revenue, with a corresponding increase to property, plant and equipment, and reported as expense when depreciated. The contributed roof and solar panels are valued based upon estimates of fair market or wholesale values that would be paid if purchasing the goods in their principal market considering their condition and utility for use at the time the goods are contributed by the donor.

Donated supplies for programs, hotel rooms, sponsorships, conference fees and food are provided to the Organization to help defray the costs of those goods and services that would otherwise have been purchased. Contributed supplies are valued and reported at the estimated fair value in the financial statements based on current market rates for similar hotel rooms, services and supplies, etc.

11. DONATED GOODS AND SERVICES (continued)

Donated services – The Organization receives free advertising print, radio and digital advertisements that serve as platforms to market and brand its mission. The donated advertisements are recognized as contributions of non-financial assets revenue at fair value, with a corresponding expense allocated to the programs benefitted, as they are delivered to the public. The valuation of these advertisements is provided by the service provider, who estimates the fair value based on the date, time and market in which each is displayed.

In addition, the Organization receives donated consulting services and royalties that would typically be purchased if not provided as a contribution of non-financial assets. These services, which require specialized skills, are recognized as contributions of non-financial assets revenue at fair value when the services are rendered. The estimated fair value of these professional services is provided by the service provider, who estimates the fair value based on the date, time and market in which each service is rendered.

Volunteers perform a variety of tasks throughout the year, principally in operations of the Organization and fund-raising activities. The value of this contributed time is not reflected in these financial statements because it is not susceptible to objective measurement or valuation.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2022

1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of South Yuba River Citizens League under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of South Yuba River Citizens League, it is not intended to and does not present the financial position, changes in net assets, or cash flows of South Yuba River Citizens League. The following notes were identified on the Schedule:

- (a) Includes all federal award programs of South Yuba River Citizens League.
- (b) Source: Catalog of Federal Domestic Assistance.
- (c) Prepared under accounting principles generally accepted in the United States of America ("GAAP") and includes all federal award programs.
- (d) A reconciliation to the financial statements is available.
- (e) There were no funds passed through sub-recipients during the year ended June 30, 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the GAAP basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

3. INDIRECT COST RATE

South Yuba River Citizens League has a negotiated indirect cost rate of 20.52% under the Uniform Guidance.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of South Yuba River Citizens League Nevada City, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of South Yuba River Citizens League (a non-profit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 8, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered South Yuba River Citizens League's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of South Yuba River Citizens League's internal control. Accordingly, we do not express an opinion on the effectiveness of South Yuba River Citizens League's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether South Yuba River Citizens League's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of South Yuba River Citizens League's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY *THE UNIFORM GUIDANCE*

To the Board of Directors of South Yuba River Citizens League Nevada City, California

Report on Compliance for each Major Federal Program

Opinion on Each Major Federal Program

We have audited South Yuba River Citizens League's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on South Yuba River Citizens League's major federal program for the year ended June 30, 2022. South Yuba River Citizens League's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, South Yuba River Citizens League complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of South Yuba River Citizens League and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of South Yuba River Citizens League's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to South Yuba River Citizens League's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on South Yuba River Citizens League's compliance based on our audit. Reasonable assurance is a high level of assurance but is not

absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about South Yuba River Citizens League's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding South Yuba River Citizens League's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of South Yuba River Citizens League's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of South Yuba River Citizens League's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Nevada County Outdoor Visitor Safety Grant Review Team 950 Maidu Avenue Nevada City, CA 95959

Dear Grant Review Team,

The Tahoe National Forest is writing in support of the Van Norden Meadow Restoration and Recreation Project: Trailhead Development proposal being submitted by SYRCL, The South Yuba River Citizens League. The Tahoe National Forest is the primary landowner of the Van Norden Meadow project area and has been engaged in planning the restoration project since 2015. Van Norden Meadow has been prioritized for restoration and recreation efforts as it is within one of our Focal Watersheds and is included within the Tahoe Headwaters Treasured Landscape designation by the National Forest Foundation.

SYRCL is one of the Tahoe National Forests key planning and implementation partners, receiving the Region 5 Partnership Award in 2017. This partnership has led to the restoration of several meadows, carbon sequestration research efforts, large scale invasive species removal efforts, and landscape level planning for forest health in the North Yuba watershed.

The Tahoe National Forest supports this project and encourages Nevada County to consider this project for funding. Please contact Teeney Hood, Public Services Staff Officer, christina.hood@usda.gov with any follow up or questions.

Sincerely,

acting for

JONATHAN COOK FISHER District Ranger
