Hello Tony,

I wanted to follow up and personally thank you for all of your work and volunteer time over the past two years. I can't thank you enough and we truly appreciate your service.

As a follow-up courtesy, I wanted to remind you that you are required to file your conflict of interest e-disclosure Form 700 per state law both annually and when leaving office. I have attached the Form 700 for your convenience. The filings can be completed online through our [eDisclosure system](#) or submitted to the office on paper, see attached PDF.

Please note that our staff notified me that you still have not completed your form 700 filing for 2021 and this was referred to the FPPC. So I would highly recommend that you complete this filing, your 2022 annual filing and final filing in order to prevent any issues with the FPPC who can levy fines and penalties. Please feel free to reach out to our staff for any assistance at 530-265-1480.

Thank you.

Best Regards,

Jeffrey Thorsby

Dear fellow SMAC members,
Regretfully, I have to withdraw from our group. Working full time and being a member of many other groups I am making a difficult choice. I so much enjoyed working with all of you.
Sincerely

Tony

Subject: Success!!

Good evening, fellow SMAC members. I just wanted to let everyone know that the Board of Supervisors voted today to both approve the Higgins Area Plan and to extend the life of the SMAC by another two years. We did it, friends! It has been an honor to work with all of you on this for the past two years. The particular areas of knowledge and expertise each of you possess made us a terrifically strong group and I learned so much from all of you. It has really been such a please, I can't tell you.

We all have at least one more meeting together in April so hold that date. We will need to decide when to meet again after that and probably indicate if we want to continue to serve. As always, I will meet with Jeffrey and Supervisor Scofield to plan the agenda in advance. If there are items you would like to cover at the meeting, please let us know.

I will go ahead and say now that I cannot continue as chair beyond the next meeting. Now that COVID has (mostly) released its hold on daily life, my time is being stretched thin with my work. I highly encourage folks to consider the opportunity. It really isn't difficult. Especially now that there's a gavel. 😊

Again, congratulations to us! We all deserve to give ourselves a pat on the back for a job well done.

See you soon,

Erin
