Community Experience and Affiliations
I served as an AmeriCorps member for Project MANA in 2014. In addition, I've volunteered at Tahoe Forest Hospital with their activities program at the Long Term Care Center.

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:
My two brothers have both experienced mental illness and substance abuse. My older brother is in recovery for alcohol and my younger brother recently experienced marijuana induced psychosis. He was admitted to a psychiatric hospital where my parents and I visited until his hold was lifted. I have been involved in their recoveries and attended a NAMI meeting as well.
