**NEVADA COUNTY BOARD OF SUPERVISORS**  
**Board Agenda Memo**

---

**MEETING DATE:** December 11, 2018  
**TO:** Board of Supervisors  
**FROM:** David A. Garcia, Jr., Solid Waste Program Manager  
**SUBJECT:** **Approval of Amendment No. 2, to the Memorandum of Understanding between Placer County and Nevada County for Use of the Eastern Regional Material Recovery Facility (District 5)**

---

**RECOMMENDATION:** Approve the attached resolution.

**FUNDING:** This amendment has no fiscal impact. Tipping fees at the Eastern Regional Material Recovery Facility are paid by Tahoe Truckee Sierra Disposal (TTSD) as part of the County franchise agreement.

**BACKGROUND:** On December 9, 1997, the Nevada County Board of Supervisors approved resolution 97-523, authorizing a memorandum of understanding between Placer County and Nevada County for use of the Eastern Regional Material Recovery Facility for disposal of solid waste generated in eastern Nevada County. This 20 year agreement was scheduled to expire on December 9, 2017 and Resolution 17-600 extended the expiration date to December 31, 2018. This amendment would extend the term of the existing Memorandum of Understanding to December 31, 2019, with no other changes proposed.

The County currently has a franchise agreement with TTSD, for collection and disposal of solid waste generated in Eastern Nevada County. In 2018 this contract was also extended for one year per Resolution 18-160, and is now scheduled to expire on June 30, 2019. The County is currently in the process of negotiating a new agreement with TTSD and would look to revise or replace the Placer County MOU once that negotiation is complete.
