OF THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA

RESOLUTION APPROVING CONTRACT WITH ZERO FOODPRINT (ZFP), A CALIFORNIA NONPROFIT CORPORATION, TO MEET 2024 SB1383 PROCUREMENT TARGETS (1,972.8 TONS COMPOST) FOR AN AMOUNT NOT-TO-EXCEED \$76,947 AND DIRECTING THE AUDITOR CONTROLLER TO AMEND THE FISCAL YEAR 2023/24 BUDGET AND ENCUMBER THE CONTRACT (4/5 AFFIRMATIVE VOTE REQUIRED)

WHEREAS, in September 2016, Governor Brown set methane emissions reduction targets for California (SB 1383 Lara, Chapter 395, Statutes of 2016) in a statewide effort to reduce emissions of Short-Lived Climate Pollutants (SLCP); and

WHEREAS, effective January 1, 2022, the law mandates that businesses and governments divert organic waste away from landfills and instead use composting, anaerobic digestion, and other methods to recycle organic waste. As part of this effort each jurisdiction in California is required to procure quantities of Recycled Organic Waste Products (ROWP) based on their population; and

WHEREAS, unincorporated Nevada County's population, calculated at 65,414, equates to a ROWP procurement target of 5,233 tons. Compost, one of four acceptable ROWPs, is valued at the highest equivalent—meaning that .58 tons of compost is considered 1 ton of ROWP; and

WHEREAS, in September 2022, California passed AB 1985, providing a step-up approach to 100% of procurement targets, by adjusting the targets as follows: 2023, 30% of the procurement targets; 2024, 65%; and 2025 and beyond, 100% of procurement targets. Thus, Unincorporated Nevada County's 2024 procurement targets is 3,401.5 tons ROWP or 1,972.8 tons compost; and

WHEREAS, Staff recommends approval of a contract with ZFP for total not to exceed amount of \$76,947; and

WHEREAS, the Department requests General Fund to cover the cost of this contract to meet new State mandates.

NOW, THEREFORE, BE IT HEREBY RESOLVED that the Nevada County Board of Supervisors:

1. Approves Professional Services Contract by and between the County of Nevada and Zero Foodprint (ZFP), a California Nonprofit Corporation, for a total maximum contract amount not to exceed \$76,947 for the period of March 12, 2024, to December 31, 2024, and that the Chair of the Board of Supervisor is hereby authorized to execute the Contract on behalf of the County.

9. **Relationship of Parties**

9.1. **Independent Contractor**

In providing services herein, Contractor, and the agents and employees thereof, shall work in an independent capacity and as an independent contractor and not as agents or employees of County. Contractor acknowledges that it customarily engages independently in the trade, occupation, or business as that involved in the work required herein. Further, the Parties agree that Contractor shall perform the work required herein free from the control and direction of County, and that the nature of the work is outside the usual course of County's business. In performing the work required herein, Contractor shall not be entitled to any employment benefits, Workers' Compensation, or other programs afforded to County employees. Contractor shall hold County harmless and indemnify County against such claim by its agents or employees. County makes no representation as to the effect of this independent contractor relationship on Contractor's previously earned California Public Employees Retirement System ("CalPERS") retirement benefits, if any, and Contractor specifically assumes the responsibility for making such determination. Contractor shall be responsible for all reports and obligations including but not limited to: social security taxes, income tax withholding, unemployment insurance, disability insurance, workers' compensation and other applicable federal and state taxes.

9.2. **No Agent Authority** Contractor shall have no power to incur any debt, obligation, or liability on behalf of County or otherwise to act on behalf of County as an agent. Neither County nor any of its agents shall have control over the conduct of Contractor or any of Contractor's employees, except as set forth in this Contract. Contractor shall not represent that it is, or that any of its agents or employees are, in any manner employees of County.

10. **Assignment and Subcontracting** Except as specifically provided herein, the rights, responsibilities, duties and services to be performed under this Contract are personal to Contractor and may not be transferred, subcontracted, or assigned without the prior written consent of County. Contractor shall not substitute or replace any personnel for

those specifically named herein or in its proposal without the prior written consent of County.

Contractor shall cause and require each transferee, subcontractor, and assignee to comply with the insurance provisions set forth herein, to the extent such insurance provisions are required of Contractor under this Contract. Failure of Contractor to so cause and require such compliance by each transferee, subcontractor, and assignee shall constitute a material breach of this Contract, and, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both.

11. **Licenses, Permits, Etc.** Contractor represents and warrants to County that Contractor shall, at its sole cost and expense, obtain or keep in effect at all times during the term of this Contract, any licenses, permits, and approvals which are legally required for Contractor to practice its profession at the time the services are performed.
12. **Hold Harmless and Indemnification Contract** To the fullest extent permitted by law, each Party (the "Indemnifying Party") hereby agrees to protect, defend, indemnify, and hold the other Party (the "Indemnified Party"), its officers, agents, employees, and volunteers, free and harmless from any and all losses, claims, liens, demands, and causes of action of every kind and character resulting from the Indemnifying Party's negligent act, willful misconduct, or error or omission, including, but not limited to, the amounts of judgments, penalties, interest, court costs, legal fees, and all other expenses incurred by the Indemnified Party arising in favor of any party, including claims, liens, debts, personal injuries, death, or damages to property (including employees or property of the Indemnified Party) and without limitation, all other claims or demands of every character occurring or in any way incident to, in connection with or arising directly or indirectly out of, the Contract. The Indemnifying Party agrees to investigate, handle, respond to, provide defense for, and defend any such claims, demand, or suit at the sole expense of the Indemnifying Party, using legal counsel approved in writing by Indemnified Party. Indemnifying Party also agrees to bear all other costs and expenses related thereto, even if the claim or claims alleged are groundless, false, or fraudulent. This provision is not intended to create any cause of action in favor of any third party against either Party or to enlarge in any way either Party's liability but is intended solely to provide for indemnification of the Indemnified Party from liability for damages, or injuries to third persons or property, arising from or in connection with Indemnifying Party's performance pursuant to this Contract. This obligation is independent of, and shall not in any way be limited by, the minimum insurance obligations contained in this Contract.
13. **Standard of Performance** Contractor shall perform all services required pursuant to this Contract in the manner and according to the standards observed by a competent practitioner of the profession in which Contractor is engaged in the geographical area in which Contractor practices its profession. - B. If Contractor fails to timely provide in any manner the services materials and products required under this Contract, or otherwise fails to promptly comply with the terms of this Contract, or violates any ordinance, regulation or other law which applies to its performance herein, County may terminate this Contract by giving **five (5) calendar days written notice to Contractor.**
- C. Either Party may terminate this Contract for any reason, or without cause, by giving **thirty (30) calendar days written notice** to the other, which notice shall be sent by registered mail in conformity with the notice provisions, below. In the event of termination not the fault of Contractor, Contractor shall be paid for services performed to the date of termination in accordance with the terms of this Contract. Contractor shall be excused for failure to perform services herein if such performance is prevented by acts of God, strikes, labor disputes or other forces over which Contractor has no control.

D. County, upon giving **thirty (30) calendar days written notice** to Contractor, shall have the right to terminate its obligations under this Contract at the end of any fiscal year if County or the State of California, as the case may be, does not appropriate funds sufficient to discharge County's obligations coming due under this contract.

In this regard, Contractor shall furnish to County such financial information as in the judgment of County is necessary to determine the reasonable value of the services rendered by Contractor. The foregoing is cumulative and does not affect any right or remedy, which County may have in law or equity.

22. **Intellectual Property** Contractor will not publish or transfer any materials produced or resulting from activities supported by this Contract without the express written consent of County. All reports, original drawings, graphics, plans, studies and other data and documents, in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, consultants, and other agents in connection with this Contract are "works made for hire" (as defined in the Copyright Act, 17 U.S.C. Section 101 et seq., as amended) for County, and Contractor unconditionally and irrevocably transfers and assigns to County all right, title, and interest, including all copyrights and other intellectual property rights, in or to the 'works made for hire." SCHEDULE OF SERVICES

Proposal:

Zero Foodprint (ZFP) will provide compost procurement and record keeping for Nevada County. ZFP shall meet or exceed Nevada County's 2024 SB1383 procurement target of 1,973 tons of compost for a total cost not to exceed \$76,947 (\$39 per ton of compost). The minimum contract amount would be \$59,190 (986.5 tons x \$39/ton for Nevada County Farmers, or 986.5 tons x \$21/ton for Non-County Farmers if applicable).

ZFP will take the following steps to incentivize procurement within Nevada County:

- ZFP will create and host a Nevada County specific website where residents/farms can apply for the program.
- Reduction of the minimum procurement requirements for participating Nevada County residents/farms to 5 tons per application.
- Increased rebates for Nevada County residents/farms, cost to jurisdiction \$39 per ton, vs \$21 per ton for non-Nevada County participants.
- Open the program early to Nevada County farmers (March-July), before making any remaining funds available for use outside of the County.
- ZFP will keep the County updated as to total requests prior to opening up County funds to statewide projects.

SB1383 Background:

In September 2016, Governor Brown set methane emissions reduction targets for California (SB 1383 Lara, Chapter 395, Statutes of 2016) in a statewide effort to reduce emissions of short-lived climate pollutants (SLCP). Effective January 1, 2022, the law mandates that businesses and governments divert organic waste away from landfills and instead use composting, anaerobic digestion, and other methods to recycle organic waste. As part of this effort each Jurisdiction in California is required to procure quantities of Recycled Organic Waste Products (ROWP) based on their population. The per capita procurement target equals 0.08 tons of organic waste per resident per year. Unincorporated Nevada County's population, calculated at 65,414, equates to a ROWP procurement target of 5,233 tons. In September 2022, California passed AB1985, approving temporary adjustments to SB1383, including the targets of ROWP procurement. This Bill provides a step-up approach to 100% of procurement targets, by adjusting the targets as follows: 2023, 30% of the procurement targets; 2024, 65%; and 2025 and beyond, 100% of procurement targets. Compost, one of four acceptable ROWPs, is valued at the highest equivalent--meaning that .58 tons of compost is considered 1 ton of ROWP. Thus, Unincorporated Nevada County's 2024 procurement targets is 3,401.5 tons ROWP or 1,972.8 tons compost.

Compost Connector:

ZFP is a California nonprofit organization founded in 2015 with the goal of reducing the carbon footprint of the food industry and is uniquely positioned to administer the procurement and use of compost in California. With a network of technical experts, agricultural organizations, and

hundreds of farms and ranches throughout the state, they have experience and expertise in procuring compost and utilizing it towards long term greenhouse gas drawdown. In response to SB1383, ZFP created the farmer-facing program Compost Connector. This program matches farms and ranches seeking compost with funding from jurisdictions interested in meeting the procurement targets.

Composting is an essential component of regenerative agriculture because it helps to rebuild soil organic matter and improve soil health. It is also a cost-effective way to sequester CO2. This is in addition to the reduction of greenhouse gas emissions that come from diverting organic waste from landfills, where it would otherwise decompose and release methane, a potent greenhouse gas.

The true costs of using compost in agriculture are high, the compost itself is often the lowest cost component when considering hauling and spreading. In addition to the material itself, true costs include transportation and application. These costs average \$75 to \$100 per ton of compost. Compost Connector utilizes jurisdiction procurement funds to reduce these costs for farms and ranches and creates the financial opportunities for additional compost use. In many cases ZFP contributes its own funds in addition to jurisdiction procurement funds to support these compost application projects.

Under the program farmers enter into an agreement that allows them to procure SB1383 compliant material from any appropriately permitted transfer/processing facility. Farmers then receive rebates once they provide documentation that they meet the minimum requirements of the program, which are intended to encourage proper application and guarantee compliance with SB1383 requirements.

Reporting:

In addition to the procurement services, ZFP maintains all records of the compost transaction and use, providing project level details and reporting. These reports will provide Nevada County with simple compliance and reporting to CalRecycle. When farms and ranches utilize compost following specific agricultural practice standards, ZFP can model the carbon sequestration utilizing COMET. COMET is a database and modeling tool designed by Colorado State University in partnership with the USDA and California Department of Food and Agriculture.

INSURANCE REQUIREMENTS

Insurance. Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Contractor, its agents, representatives, or employees. Coverage shall be at least as broad as:

1. **Commercial General Liability CGL:** Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **\$2,000,000** per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.
2. **Automobile Liability:** Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Contractor has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than **\$1,000,000** per accident for bodily injury and property damage.
3. **Workers' Compensation:** Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than **\$1,000,000** per accident for bodily injury or disease.

Other Insurance Provisions:

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured Status: County, its officers, employees, agents, and volunteers are to be covered as additional insureds** on the CGL policy with respect to liability arising out of the work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 25, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions used.)
2. **Primary Coverage** For any claims related to this contract, **Contractor's insurance shall be primary** insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects County, its officers, employees, agents, and volunteers. Any insurance or self-insurance maintained by County, its officers, employees, agents, and volunteers shall be excess of Contractor's insurance and shall not contribute with it.
3. **Notice of Cancellation** This policy shall not be changed without first giving thirty (30) days prior written notice and ten (10) days prior written notice of cancellation for non-payment of premium to County.
4. **Waiver of Subrogation** Contractor hereby grants to County a waiver of any right to subrogation which any insurer or said Contractor may acquire against County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not County has received a waiver of subrogation endorsement from the insurer.
5. **Sole Proprietors** If Contractor is a Sole Proprietor and has no employees, they are not required to have Workers Compensation coverage. Contractor shall sign a statement attesting to this condition, and shall agree they have no rights, entitlements or claim against County for any type of employment benefits or workers' compensation or other programs afforded to County employees.

6. **Deductible and Self-Insured Retentions** Deductible and Self-insured retentions must be declared to and approved by County. County may require Contractor to provide proof of ability to pay losses and related investigations, claims administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or County
7. **Acceptability of Insurers:** Insurance is to be placed with insurers authorized to conduct business in the State with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to County.
8. **Claims Made Policies** if any of the required policies provide coverage on a claims-made basis:
 - a. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - b. Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
 - c. If the coverage is canceled or non-renewed, and not replaced with another **claims-made policy form with a Retroactive Date**, prior to the contract effective date, Contractor must purchase "extended reporting" coverage for a minimum of **five (5)** years after completion of contract work.
9. **Verification of Coverage** Contractor shall furnish County with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to County before work begins. However, failure to obtain and provide verification of the required documents prior to the work beginning shall not waive Contractor's obligation to provide them. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
10. **Subcontractors** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a format at least as broad as CG 20 38 04 13.
11. **Special Risks or Circumstances** County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
12. **Conformity of Coverages** If more than one policy is used to meet the required coverages, such as an umbrella policy or excess policy, such policies shall be following form with all other applicable policies used to meet these minimum requirements. For example, all policies shall be Occurrence Liability policies, or all shall be Claims Made Liability policies, if approved by County as noted above. In no cases shall the types of policies be different.
13. **Premium Payments** The insurance companies shall have no recourse against County and funding agencies, its officers, and employees or any of them for payment of any premiums or assessments under any policy issued by a mutual insurance company.
14. **Material Breach** Failure of Contractor to maintain the insurance required by this Contract, or to comply with any of the requirements of this section, shall constitute a material breach of the entire Contract.
15. **Certificate Holder** the Certificate Holder on insurance certificates and related documents should read as follows:

 Nevada City, CA 95959

Upon initial award of the Contract to your firm, you may be instructed to send the actual documents to a County contact person for preliminary compliance review.

Certificates which amend or alter the coverage during the term of the Contract, including updated certificates due to policy renewal, should be sent directly to Contract Administrator.
