This provision is not intended to create any cause of action in favor of any third party against either Party or to enlarge in any way either Party’s liability but is intended solely to provide for indemnification of the Indemnified Party from liability for damages, or injuries to third persons or property, arising from or in connection with Indemnifying Party’s performance pursuant to this Contract. **EXHIBIT “A”  
SCHEDULE OF SERVICES  
WELCOME HOME VETS, INC.**

Welcome Home Vets, Inc., hereinafter referred to as Contractor shall provide services for the rewarding of a Prop 63 funded project for the County of Nevada, Department of Social Services’ Veterans Services Office, hereinafter referred to as County. Contractor shall build on the work accomplished with previous years of MHSA funding, which began in FY 13-14, to connect Veterans to behavioral health supports and other needed services within the community. Funding through Prop 63 was granted in FYS 18-19 and 19-20. Contractor has continued to provide outreach to Veterans and their family members through outreach funding from Prop 63 last year along with the use of volunteer efforts. Contractor will manage the Veterans Outreach and Referral Program to: 1) identify additional Veterans that may need mental health support in Nevada County, 2) increase and sustain collaboration among non-profits and government agencies serving Veterans, 3) continue a peer model support system, and 4) continue services to all locations in Nevada County. Continued special emphasis will be placed on reaching the newly discharged services members who have served in Iraq and Afghanistan, and National Guard and Reserve service members that have been deployed.

**Program Statement:**

According to the 2018 VetPop data, there are 8,048 Veterans residing in rural Nevada County, of whom 23% are Gulf War Veterans, 59% are Korean / Vietnam era Veterans, 5% are World War II Veterans, and 13% are considered as Peacetime Veterans. Access to mental health services is critical for the overall health of our Veterans, with early intervention being extremely beneficial. Post-Traumatic Stress Disorder (PTSD) and other invisible wounds can affect a Veteran’s readjustment in many ways – impairing mental and physical health and well-being, compounding the challenges of obtaining employment and housing, and providing for basic needs.

Tragically, many Veterans show signs of trouble but are not referred to services. They are seen in courts, jails, emergency rooms, employment services, and housing or homeless services. To reach these Veterans, there is merit in a strategy of expanding the reach of treatment, to include greater engagement, understanding the reasons for negative perceptions of mental health care, and “meeting Veterans where they are”. (Wounded Warrior Project, Statement for the Record to the US Senate, March 20, 2013). Mental health care needs to be easily available and provided in an environment that is welcoming and supportive to the Veteran.

The majority of Nevada County residents live 60-90 miles from the closest VA Medical Center. A small VA outpatient clinic in Auburn, CA is located 30 miles from the County Veterans Service Office and is the location where a majority of our Veterans are seen for primary care. Additionally, this facility only staffs one psychologist and receiving consistent, timely care is difficult. The VA Medical Center that the Auburn outpatient clinic is associated with is located in Reno, NV which is 90 miles away, and traveling during the winter months creates additional issues due to chain controls or road closures. With 8,048 Veterans in Nevada County, many are likely to connect to at least one community organization or agency. A Veteran seen by one organization but not referred to other agencies that could support the Veteran’s mental health and overall well-being is detrimental to providing the care they need.

Veterans are most likely to seek mental health support if there is peer support. Peers provide a bridge to services and help ease Service Members, Veterans, and their Families transition to their communities. Those with military experience and experience with recovery from trauma, mental health, or addiction issues offer valuable knowledge and skills to assist others.

## **Scope of Services**

Contractor shall manage the Veterans Outreach and Referral Program (VORP). County acknowledges that Contractor shall subcontract for Veterans Outreach services. Under this agreement, Contractor shall perform outreach activities to identify Veterans that may need mental health support, collaborate with non-profits and government agencies serving Veterans, continue coordination of a peer model support system, and continue services to all locations in Nevada County.

- Number of unduplicated Veterans contacted to include: demographics, outcome of visits, provision for ongoing services, and specific service referrals made –such as mental health, substance abuse treatment, housing, legal, and/or employment.

### **Project Goals**

Contractor shall provide outreach regarding available mental health and substance abuse treatment services to 300 Veterans annually. Of these Veterans, approximately 30 shall be informally or formally referred to mental health services and/or substance abuse treatment. The Contractor shall additionally meet with 10 collaborative agencies annually to address gaps and coordinate systems change in the outreach and referral process among agencies and non-profits in Nevada County.

Contractor shall work with each partner agency to establish a referral system to connect Veterans to the Nevada County Veterans Outreach and Resource Program and its partners. By working with the partners, deep relationships and agreements will be established, and Veterans shall have access and receive referrals through a variety of agencies, non-profits and organizations.

Contractor shall research and identify various peer counseling models that are appropriate for the veteran community. Contractor will work with the Spirit Empowerment Center and other local peer counseling programs to learn the model(s) used there.

### **Project Data Collection**

Contractor shall collect County required data to be used in the preparation of quarterly progress reports. The completed quarterly progress reports shall be reviewed by the Nevada County Veteran Services Officer (CVSO) who shall be responsible for submitting project data to CalVet.

Quarterly review of the performance metrics by VSO and VORP staff shall provide concrete evidence of the success of the program. This performance review shall also show gaps in service delivery wherein behavioral health disparities of the Veterans served can affect how the project is seen to be performing. The quarterly report issued to CalVet shall include a narrative related to the Performance Assessment and Data, if needed, describing any issues affecting the metrics.

### **Additional Contractor Responsibilities:**

- Contractor shall, at all times, maintain communication and coordination with the CVSO and/or his/her designee and meet with the CVSO and/or his/her designee as needed regarding service provision or for problem solving discussions.
- Contractor shall cooperate with the County for the purposes of providing statistical information regarding client-based data collection and outcomes relating to services rendered under this Agreement.
- Contractor shall provide certification that confidentiality and civil rights/non-discrimination training was provided to all contract staff within 60 days of contract initiation.

Despite progress in addressing explicit discrimination, racial inequities continue to be deep, pervasive, and persistent across the country. Though we have made many strides toward racial equity, policies, practices, and implicit bias have created and still create disparate results. Through partnerships with the community, the Nevada County Department of Social Services strives to address these inequities and continue progress in moving forward.

Contractor is encouraged to have a diverse and inclusive workforce that includes representation from the disparate communities served by our county. Contractor will be expected to think holistically about creating services, program sites, and an employee culture that is welcoming and inclusive. Contractor should track metrics on Diversity, Equity, and Inclusion outcomes within their service delivery. Additional efforts should be made to identify and highlight growth opportunities for equitable outcomes, access to services, and other opportunities. Contractor shall work with County contract manager about proposed metrics to track.

Services should be designed to meet clients' diverse needs. Contractor will be expected to participate in trainings and tailor outreach efforts and marketing materials to engage a diverse population of community members. Given that Spanish is a threshold language in Nevada County, a special emphasis should be placed on engaging Latinx communities and providing services in Spanish.

**WELCOME HOME VETS, INC.**

**Insurance.** Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Contractor, its agents, representatives, or employees. Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **\$2,000,000** per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.
2. **Automobile Liability:** Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Contractor has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than **\$1,000,000** per accident for bodily injury and property damage.
3. **Workers’ Compensation:** CONTRACTOR AFFIRMS UNDER PENALTY OF PERJURY THEY ARE INDEPENDENT AND WITHOUT EMPLOYEES. CONTRACTOR AFFIRMS THEY CARRY HEALTH INSURANCE POLICY, HEALTHCARE SERVICE PLAN, OR DISABILITY INSURANCE COVERING CONTRACTOR FOR BODILY INJURY OR DISEASE. CONTRACTOR FURTHER AGREES TO WAIVE ALL RIGHTS TO WORKERS’ COMPENSATION BENEFITS FOR ANY ACCIDENT FOR BODILY INJURY OR DISEASE. CONTRACTOR HEREBY GRANTS TO COUNTY A WAIVER OF ANY RIGHT TO SUBROGATION WHICH ANY INSURER OF SAID CONTRACTOR MAY ACQUIRE AGAINST THE COUNTY BY VIRTUE OF THE PAYMENT OF ANY LOSS UNDER SUCH INSURANCE.  
Contractor affirms that being a nonprofit organization operated by uncompensated volunteers, it is not required to maintain workers’ compensation coverage for their volunteers. Contractor employs subcontracted therapists who either maintain their own workers’ compensation coverage, carry health insurance policy, healthcare service plan, or disability insurance covering them for bodily injury or disease and Contractor affirms that its subcontracted therapists have shown Contractor proof of this coverage. Contractor further affirms that its subcontracted therapists have agreed to waive all rights to workers’ compensation from the Contractor and County. Contractor furthermore affirms that subcontracted therapists have waived any right to subrogation which any insurer of said subcontractor may acquire against the Contractor and County by virtue of payment of any loss under such insurance. County understands Contractor subcontracts with independent therapists to provide therapy services; Contractor affirms that their subcontracted therapists shall be required to carry and, upon request by the County show proof of.

The insurance obligations under this Contract shall be the greater of 1—all the Insurance coverage and limits carried by or available to Contractor; or 2—the minimum Insurance requirements shown in this Contract. Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to County. No representation is made that the minimum Insurance requirements of this Contract are sufficient to cover the indemnity or other obligations of Contractor under this Contract.

If Contractor maintains broader coverage and/or higher limits than the minimums shown above, County requires and shall be entitled to the broader coverage and/or the higher limits maintained by Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to County.

**Other Insurance Provisions:**

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured Status: County, its officers, employees, agents, and volunteers are to be covered as additional insureds** on the CGL policy with respect to liability arising out of the work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 25, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions used.)
2. **Primary Coverage** For any claims related to this contract, **Contractor's insurance shall be primary** insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects County, its officers, employees, agents, and volunteers. Any insurance or self-insurance maintained by County, its officers, employees, agents, and volunteers shall be excess of Contractor's insurance and shall not contribute with it.
3. **Notice of Cancellation** This policy shall not be changed without first giving thirty (30) days prior written notice and ten (10) days prior written notice of cancellation for non-payment of premium to County.
4. **Waiver of Subrogation** Contractor hereby grants to County a waiver of any right to subrogation which any insurer or said Contractor may acquire against County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not County has received a waiver of subrogation endorsement from the insurer.
5. **Deductible and Self-Insured Retentions** Deductible and Self-insured retentions must be declared to and approved by County. County may require Contractor to provide proof of ability to pay losses and related investigations, claims administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or County.
6. **Acceptability of Insurers:** Insurance is to be placed with insurers authorized to conduct business in the State with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to County.
  - a. **Claims Made Policies** if any of the required policies provide coverage on a claims-made basis: The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
  - b. Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
  - c. If the coverage is canceled or non-renewed, and not replaced with another **claims-made policy form with a Retroactive Date**, prior to the contract effective date, Contractor must purchase "extended reporting" coverage for a minimum of **five (5)** years after completion of contract work.
7. **Verification of Coverage** Contractor shall furnish County with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to County before work begins. However, failure to obtain and provide verification of the required documents prior to the work beginning shall not waive Contractor's obligation to provide them. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Subcontractors** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a format at least as broad as CG 20 38 04 13.

9. **Special Risks or Circumstances** County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
10. **Conformity of Coverages** If more than one policy is used to meet the required coverages, such as an umbrella policy or excess policy, such policies shall be following form with all other applicable policies used to meet these minimum requirements. For example, all policies shall be Occurrence Liability policies, or all shall be Claims Made Liability policies, if approved by County as noted above. In no cases shall the types of policies be different.
11. **Premium Payments** The insurance companies shall have no recourse against County and funding agencies, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by a mutual insurance company.
12. **Material Breach** Failure of Contractor to maintain the insurance required by this Contract, or to comply with any of the requirements of this section, shall constitute a material breach of the entire Contract.
13. **Certificate Holder** The Certificate Holder on insurance certificates and related documents should read as follows:

County of Nevada  
950 Maidu Ave.  
Nevada City, CA 95959

Upon initial award of a Contract to your firm, you may be instructed to send the actual documents to a County contact person for preliminary compliance review.

Certificates which amend or alter the coverage during the term of the Contract, including updated certificates due to policy renewal, should be sent directly to Contract Administrator.

**EXHIBIT “E”  
SCHEDULE OF HIPAA PROVISIONS  
FOR BUSINESS ASSOCIATES**

**HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA) BUSINESS  
ASSOCIATE AGREEMENT**

Contractor acknowledges that it is a “Business Associate” for purposes of this Contract and of the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and The Health Information Technology for Economic and Clinical Health Act of 2009 (“HITECH”) per 45 CFR §160.103 and therefore is directly subject to the HIPAA Security Rule, Privacy Rule and Enforcement Rule, including its civil and criminal penalties and shall implement its standards.

Regarding the Use and Disclosure of Protected Health Information:

1. Except as otherwise limited in this Contract, Contractor may use or disclose Protected Health Information (“PHI”) to perform functions, activities, or services for, or on behalf of, County as specified in this contract, provided that such use or disclosure would not violate the Privacy Rule if done by County and is in accordance with the “minimum necessary” policies and procedures of County (see NCPP 200 – Use and Disclosure Policy).
2. Except as otherwise limited in this Contract, Contractor may use PHI for the proper management and administration of Contractor or to carry out the legal responsibilities of Contractor provided that the disclosure is required by law or Contractor obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purpose for which Contractor disclosed it to the person. And, Contractor shall also ensure that the person notifies Contractor of any instances of which it is aware in which the confidentiality of the information has been breached.
3. Contractor shall not use or further disclose the PHI it creates, receives, maintains or transmits on behalf of County for any purpose other than as permitted or required by this Contract or as required by law.
4. Contractor shall make available PHI to the individual for which it pertains in accordance to applicable law including 45 CFR §164.524
5. Contractor shall make available PHI for amendment and incorporate any amendments to PHI records in accordance with 45 CFR §164.526.
6. Contractor shall track disclosures and make available the information required to provide an accounting of disclosures if requested by the individual or County in accordance with 45 CFR §164.528.
7. To the extent Contractor is to carry out County’s obligations under the Privacy Rule, Contractor agrees to comply with the requirements of the Privacy Rule that apply to County in the performance of such obligations.

Contractor agrees to:

8. Protect the privacy and provide for the security of PHI and electronic Protected Health Information (“ePHI”) created, received, maintained or transmitted by Contractor pursuant to this Contract in accordance with HIPAA, HITECH and regulations promulgated thereunder by the U.S. Department of Health and Human Services (the HIPAA Regulations) and other applicable laws.
9. Develop and maintain a written information privacy and security program that includes administrative, physical and technical safeguards appropriate to the size and complexity of Contractor’s operations and the nature and scope of its activities. Contractor will provide County with information concerning such safeguards as County may reasonably request from time to time.
10. Comply with County policies and procedures related to obtaining, using, disclosing, creating, maintaining and transmitting PHI and ePHI as it relates to this Contract.
11. Ensure sufficient training and utilize reasonable measures to ensure compliance with requirements of this agreement by Contractor’s workforce members who use or disclose PHI (in any form) to assist in the performance of functions or activities under this Contract; and discipline such employees who intentionally violate any provisions of this Contract, including termination of employment. Workforce member training shall be documented and such documents retained for the period of this Contract and made available to County for inspection if requested.
12. Ensure that any subcontractors or agents agree to comply with the same restrictions, conditions and terms that apply to Contractor with respect to this Contract and with applicable requirements of HIPAA and HITECH by entering into a written contract including permissible uses and disclosures and provisions where the subcontractor or agent agrees to implement reasonable and appropriate security measures to protect the information (PHI or ePHI) it creates, receives, maintains or transmits on behalf of Contractor or County with respect to this Contract.

Contractor shall make this report by the next business day following discovery of the use, disclosure, or security incident. Any unauthorized use or disclosure or security incident shall be treated as discovered by Contractor on the first day on which such use or disclosure or security incident is known to Contractor, including any person, other than the individual committing the unauthorized use or disclosure or security incident, that is an employee, officer or other agent of Contractor, or who should reasonably have known such unauthorized activities occurred.
14. Contractor will comply with all applicable breach notification requirements including notifications to the individual/s whose PHI is the subject of a breach, as provided under the HIPAA and HITECH Acts. Contractor shall take prompt corrective action to cure any breach or action pertaining to the unauthorized disclosure of PHI or ePHI.
15. Make Contractor’s internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Contractor on behalf of County available to County upon request. In addition, Contractor will make these items available to the Secretary of the United States Health and Human Services for purposes of determining County’s or Contractor’s compliance with HIPAA and its implementing regulations (in all events Contractor shall immediately notify County of any such request, and shall provide County with copies of any such materials).

16. Contractor agrees that this Contract may be amended from time to time by County if and to the extent required by the provision of 42 U.S.C. § 1171, et seq., enacted by HIPAA and regulations promulgated thereunder, in order to assure that this Contract is consistent therewith.
