NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: May 24, 2016

TO: Board of Supervisors

FROM: David A. Garcia, Jr., Transportation Planner

SUBJECT: **Program Supplement Number N036 Rev. 2, to Administering Agency-State Agreement for Federal Aid Projects Number 03-5917R – Newtown Road Class II Bike Lane Project - 5917(070) - District I**

RECOMMENDATION: Approve the attached Resolution.

FUNDING: Funding is for Fiscal Year 2015/16 and impacts the Roads Capital Improvement budget. Funding is provided by Congestion Mitigation and Air Quality (CMAQ) funds and State Exchange funds. A budget amendment is not required and there is no impact on the General Fund.

BACKGROUND: The County of Nevada has been allocated $694,349 of Congestion Mitigation and Air Quality (CMAQ) funds for Construction of the Newtown Road Class II Bike Lane Project. Newtown Road is a narrow two lane rural roadway with no shoulders for most of its length. The accident rate for the road is higher than the County average, but the road gets significant bicycle usage. In addition, there are numerous turns with limited site distance. This project will provide Class II bicycle lanes (4-foot paved), along Newtown Road, between SR 49 and Beckville Road. The State has prepared Program Supplement Number N036 Rev.2, which will provide for reimbursement of 100% of eligible funds. In order to obtain these funds, the attached two (2) copies of Program Supplement Number N036 Rev.2 must be approved and executed.
