April 28, 2015
The Honorable Board of Supervisors
Eric Rood Administrative Center
950 Maidu Avenue
Nevada City, California 95959

DATE OF MEETING: May 12, 2015

SUBJECT: Resolution authorizing the purchase of a washer-extractor for use at Nevada County Juvenile Hall and Amending the FY 2014-2015 Juvenile Hall and Probation budgets.

RECOMMENDATION: The Nevada County Board of Supervisors adopt a resolution authorizing this purchase.

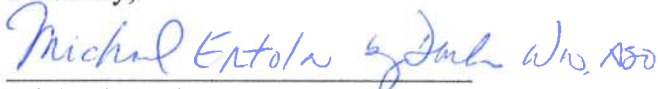

FUNDING: The amendment increase of \$12,000 in the Juvenile Hall budget is funded by an offsetting decrease in Probation's general fund budget.

BACKGROUND:

The Carl F. Bryan II Regional Juvenile Hall is a detention facility capable of housing up to 30 youth. All laundry operations are performed by staff, within the facility, utilizing two heavy duty large capacity 40 pound washer-extractors and one regular non commercial washer. One of the heavy duty washer-extractors is no longer operable as the motor is burned out. The washer is over 10 years old and no longer under warranty. Replacement parts are cost prohibitive and are only available from Sweden. Per General Services, estimated repair costs exceed cost to replace. Purchase of a new machine is recommended over repair of the old machine.

Replacement of the inoperable washer-extractor is necessary to manage the volume of laundry generated by the Juvenile Hall.

Sincerely,
