Dear Supervisors,

Nevada County Consolidated Fire has contracted Willdan Financial Services to conduct a nexus study on our AB1600 Mitigation fees. The study is complete, has been passed by Ordinance by the Nevada County Consolidated Fire District Board of Directors and is now ready for review by the Board of Supervisors. We are requesting the updated fee structure be included on the agenda of a future board of supervisors meeting. The Ordinance and study are enclosed with this request.

Please let us know if you need anything further to place this item on the agenda.

Sincerely,

Keith Grueneberg, Board President
