RE: Agenda item 16 – Truckee Fire Protection District Annual Inflationary Adjustment to Mitigation Fees

Chair Miller and Supervisors:

Thank you for this opportunity to comment on the annual adjustment of the mitigation fees collected for the Truckee Fire Protection District. Niki Holoday with TFPD sent CATT the report weeks in advance of the TFPD board meeting. All our questions about types of new construction paying the fees and timing of the next fee study have been answered. CATT has no issues or concerns with the report or adjustment as presented.

On a personal note, I have taken over for the wonderful Pat Davison (today is my first day!) as the Truckee North Tahoe Government Affairs Manager. I look forward to meeting and working with each of you on issues of import to our association and region. My email address will be set up soon as Pete@ca-tt.com.
