SUBJECT: Fees for Solid Waste

Dear Mayor and Council Members:

In 2012, Nevada County, Grass Valley, and Nevada City approved a temporary reduction in solid waste parcel charges. The reduction reflected decreases in our annual operating expenses and the ability of our current reserve fund to address potential post-closure liabilities. On behalf of the Nevada County Board of Supervisors, I am requesting your concurrence again to the implementation of solid waste parcel charges within your jurisdiction. This action is taken pursuant to State of California, Government Code Section 25830.

In order to facilitate the County's actions in levying and collecting parcel charges and to minimize the expenses involved in billing, the County would like to impose the existing fees under the authority contained in Government Code Section 25830. Accordingly, on behalf of the Board of Supervisors, I hereby request that your Council concur with the imposition of parcel charges in the City for the 2018/19 and 2019/20 Fiscal Years as provided in Section 25830. As noted above, these charges reflect the continuation of the temporary reduction in charges approved in 2012.

The proposed parcel charges for Western Nevada County are as follows:

Single Family Residence	\$29.70 per year
Multi-Family Units	\$23.14 per year
Mobile Home Park Units	\$20.72 per year
Non-residential	\$27.19 per ton

I appreciate your consideration in this matter and anticipate your Council's acceptance of the current rates. Please respond to our office by May 15, 2018.

If you have any questions regarding the ordinances or budget in advance of your Council meeting, please contact the Public Works Department staff at (530) 265-7038.

Sincerely,

Honorable Ed Scofield
Chair, Board of Supervisors
