Board Agenda Memo

MEETING DATE: June 21, 2016

TO: Board of Supervisors

FROM: **Keith Royal, Sheriff-Coroner-Public Administrator**

SUBJECT: Resolution authorizing Amendment #1 to the agreement with Satellite Tracking of People, LLC for GPS monitoring of people enrolled in the Alternative Sentencing Program, to extend contract term from June 17, 2016 to June 17, 2017

RECOMMENDATION: Adopt Resolution

FUNDING: This is a FY 16/17 agreement in an amount not to exceed \$30,000, impacting the Sheriff's Corrections' budget. No budget amendment is necessary. This is a discretionary program. Fees paid by participants generally cover the cost of the equipment lease.

BACKGROUND: Equipment leased from Satellite Tracking of People, LLC, utilizes GPS tracking technology and provides real time locational monitoring of participants enrolled in the Sheriff's Office Alternative Sentencing Program.

Resolution 14-249 authorized the original agreement with an expiration date of June 17, 2016. The agreement allows the option for three additional one-year renewals. This amendment, if approved, will initiate the first one-year renewal of the lease agreement with no other changes to the agreement. The maximum yearly amount of the agreement is \$30,000. Persons enrolled in the program pay fees which historically have covered the costs associated with the leasing of the equipment.
