

MENTAL HEALTH INITIATIVE

Community Resource Fairs

On behalf of the Nevada County Community Library which is a designated participant in the Mental Health Funding Opportunity, I certify our

Library will:

- Utilize this funding opportunity to work collaboratively with local agencies to host or take part in a Mental Health Resource Fair with the goal of educating the public about mental health resources
- Ensure all members of the community are invited to take part and attend the fair free of cost
- Work efficiently with Mental Health Initiative staff to provide information and insight into the needs of library staff
- Complete all activities and submit reporting items no later than June 30, 2019
