NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: May 13, 2025

TO: Board of Supervisors

FROM: Shannan Moon, Sheriff-Coroner-Public Administrator

SUBJECT: Resolution authorizing the purchase of a boating vessel in the amount of \$151,989.50 from Rogue Jet Boatworks, Inc., of which \$150,000 is to be reimbursed by a Boating Safety and Enforcement Equipment Grant with the California Department of Parks and Recreation, Division of Boating and Waterways, and request acceptance as a capital asset.

RECOMMENDATION: Adopt the resolution.

FUNDING: This discretionary funding is for Fiscal Year 2024/25 and will impact the Sheriff Operations Budget in the amount of \$150,000 for both revenues and expenses. The remaining cost above \$150,000 is included within the Sheriff Operations budget and there is no General Fund impact.

BACKGROUND: Nevada County Sheriff's Office was approved to accept a grant from the California Department of Parks and Recreation, Division of Boating and Waterways, for participation in the State's Boating Safety and Enforcement Equipment Grant program. This program provides funds for necessary equipment and repairs. This grant provides a maximum of \$150,000 for the purchase and outfitting of a new boat and trailer for Fiscal Year 2024/25 (Reso 24-528).

The Sheriff's Office has participated in this enforcement program for over forty years. This grant will support the ability of the Sheriff's Office to deploy our full marine fleet (three boating vessels) and allow for appropriate levels of patrol, as well as search and rescue missions related to recreational boating, by replacing a non-functioning boat that was officially decommissioned due to age, condition, and cost of repairs in Fiscal Year 2023/24.

With the assistance of Nevada County Purchasing, a formal bid procedure for the boating vessel was followed and four bids were submitted. Of the bids submitted, Rogue Jet Boatworks, Inc.'s bid of \$151,989.50 was selected.

The Sheriff's Office seeks approval to move forward with the purchase of this boating vessel from Rogue Jet Boatworks, Inc., in the amount of \$151,989.50 and to designate as a capital asset. Once purchased, the Sheriff's Office will seek reimbursement of \$150,000 from the State's Boating Safety and Enforcement Equipment program.
