2. If the allowability or appropriateness of an expense cannot be determined by County or State because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles or practices, all questionable costs may be disallowed and payment may be withheld by the County or State. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.

ARTICLE VIII – LIMITATION OF COUNTY LIABILITY AND INDEMNIFICATION

- A. Notwithstanding any other provision of this agreement, the County and State shall be held harmless from any federal audit disallowance and interest resulting from payments made to the Contractor pursuant to W&I Code Section 14132.47, and this agreement, less the amounts already remitted to the State.

All subsequent claims submitted to the County and DHCS applicable to any previously disallowed MAA or claim, may be held in abeyance, with no payment made, until the federal disallowance issue is resolved.
- C. To the extent that a federal audit disallowance and interest results from a claim or claims for which the Contractor has received reimbursement for MAA performed by a non-governmental entity under agreement with, and on behalf of, the Contractor, the County and DHCS shall be held harmless by that particular Contractor for 100 percent of the amount of any such final federal audit disallowance and interest less the amounts already remitted to the State for the disallowed claim.
- D. Both parties to this Agreement recognize that the Contractor is liable only for an audit exception which relates to administrative activities under this Agreement, and has no liability for any other Contractor which may enter into a similar Agreement with the County for the performance of Medi-Cal administrative activities.
- E. To the fullest extent permitted by law, each Party (the "Indemnifying Party") hereby agrees to protect, defend, indemnify, and hold the other Party (the "Indemnified Party"), its officers, agents, employees, and volunteers, free and harmless from any and all losses, claims, liens, demands, and causes of action of every kind and character resulting from the Indemnifying Party's negligent act, willful misconduct, or error or omission, including, but not limited to, the amounts of judgments, penalties, interest, court costs, legal fees, and all other expenses incurred by the Indemnified Party arising in favor of any party, including claims, liens, debts, personal injuries, death, or damages to property (including employees or property of the Indemnified Party) and without limitation, all other claims or demands of every character occurring or in any way incident to, in connection with or arising directly or indirectly out of, the Agreement. Indemnifying Party also agrees to bear all other costs and expenses related thereto, even if the claim or claims alleged are groundless, false, or fraudulent. This provision is not intended to create any cause of action in favor of any third party against either Party or to enlarge in any way either Party's liability but is intended solely to provide for indemnification of

the Indemnified Party from liability for damages, or injuries to third persons or property, arising from or in connection with Indemnifying Party's performance pursuant to this Agreement. This obligation is independent of, and shall not in any way be limited by, the minimum insurance obligations contained in this agreement.

Failure of Contractor to exclude a convicted individual from participation in the MAA claiming process shall constitute a breach of Agreement.

Exclusion after conviction shall result regardless of any subsequent order under Section 1203.4 of the Penal Code allowing a person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. Suspension or exclusion of an employee or subcontractor, or of an employee of a subcontractor, from participation in the Medi-Cal Program, the Medicaid Program, or the Medicare Program, shall result in the exclusion of that employee or subcontractor, or employee of a subcontractor, from participation in the MAA claiming process. Failure of a Contractor to exclude a suspended or excluded individual from participation in the MAA claiming process shall constitute a breach of Agreement.

Revocation, suspension, or restriction of the license, certificate, or registration of any employee, subcontractor, or employee of a subcontractor, shall result in exclusion from the MAA claiming process, when such license, certificate, or registration is required for the performance of MAA claiming activities. Failure of Contractor to exclude an individual whose license, certificate, or registration has been revoked, suspended, or restricted, from participation in the MAA claiming process, may constitute a breach of Agreement.
