Dear Pam,

I serve as the Chair of the Nevada County Adult and Family Services Commission (AFSC). Yesterday at our meeting, commissioner Lindy Beatie requested to be the AFSC member to serve on the AAA4 Advisory Council. Our Commission has two vacancies on the AAA4 Advisory Council to fill and we appointed Lindy Beatie to fill one of the vacant council positions. We look forward to having her serve as a liaison between the AAA4 Advisory Council and the Nevada County AFSC to keep us informed on the needs of aging adults in our county and of regional opportunities available to them. Please don't hesitate to reach out should you need anything further from the AFSC to support our appointment of Lindy to the AAA4 Advisory Council.

Thank you,

Dena Malakian
