Dear BOS,

RE: Item #37. SR 21-0887 - Board of Supervisors compensation

The performance of the BOS, et al., Heidi Hall, Ed Schofield, Dan Miller, Sue Hoek, and Hardy Bullock does NOT warrant a raise of any kind. This should be OBVIOUS in the face of an upcoming RECALL for each BOS member. None of you have a proper Oath of Office as required by the California Constitution, Article XX, Section 3, nor a proper bond. Each of you has committed extortion, fraud, malfeasance, crimes against humanity, misappropriation of funds, financial bribery, & treason & sedition. You all belong in jail.

1) You have concealed facts which were known, or which should have been known to you through reasonable diligence. You neglected your constituents' warnings about the dangers of excess government which have resulted in loss of life, liberty, and property. You have enabled crimes against humanity and censored public comments. You have violated your oath of office, the Brown Act, and you have wasted millions of taxpayer dollars without financial impact reports.

2) You voted to violate citizens' privacy and other rights through "Contact Tracing of Citizens" by unscreened and questionable data "Tracers" from "Rapid Trace LLC dba Over the Ridge LLC... will provide Local Health Officer Isolation and quarantine guidance... referrals..." (Res. 21-460/SR 21-0724 Nov. 9, 2021)

3) You neglected citizens' requests to immediately terminate department officers Glennah Trochet, Ryan Gruver, and also terminate the Health Director Dr. Scott Kellerman for his public statement and gesture threatening to shoot/kill unmasked citizens. (Oct. 11, 2021)

4.) You failed to re-open Nevada County at the earliest date possible as required by law. You promoted lock-downs, prescribed untested medical procedures, omitted use of life-saving therapeutic medications, neglected natural immunity, increased county liability, and directly violated religious freedoms and individual liberty.

5) Except for Heidi Hall, you all voted for U.A.S. Unmanned Aircraft Systems (Drones) to perform unconstitutional warrantless searches which violate privacy, due process, and property rights. (SR 21-0635, Nov. 10, 2021).

6) You all voted for the CARES expansive and unsustainable programs that are

irresponsible to taxpayers, and thereby participated in financial bribery and manipulation of your constituents.

NOT A PRETTY RECORD! DOESN'T WARRANT A PAY RAISE. TO SAY THE LEAST.

Sincerely,

Susan Joanne

eComment: It's absolutely inappropriate to be able to vote yourselves raises arbitrarily and needs to stop. How have you served the people of Nevada County to merit another raise? As it's understood, raises were voted by you, for you last year. This current idea is wrong in so many ways. Shila van Wagenen
