**BACKGROUND:** The Board of Directors of the Truckee Fire Protection District (TFPD), at their November 21, 2017 regular meeting, held a public hearing to review and discuss the Truckee Fire Protection District Capital Improvement Plan and Mitigation Fee 5-Year Expenditure Plan and 5-Year Findings Report for Fiscal Year 2017-2018 and adopted the plan. The 2017-2018 Plan does recommend a rate increase from the previous fiscal year.

Pursuant to Land Use and Development Code L-IX 2.3.A, the Nevada County Board of Supervisors shall establish the amount of development fees collected by each individual fire protection district located in the unincorporated areas of Nevada County upon receipt of a completed fee study adopted by a fire district. This action requires a public hearing and any development fee increases become effective 60 days after the adoption of the County's resolution.

The Board of Directors of the Truckee Fire Protection District is recommending you review the Plan and consider adoption.

For your reference I have included TFPD Resolution 23-2017, which adopted the Truckee Fire Protection District Capital Improvement Plan and Mitigation Fee 5-Year Expenditure Plan and 5-Year Findings Report for Fiscal Year 2017-2018 and proposed fee increases.
