## NEVADA COUNTY BOARD OF SUPERVISORS

### Board Agenda Memo

---

**MEETING DATE:** June 27, 2023

**TO:** Board of Supervisors

**FROM:** Brian Foss, Planning Director

**SUBJECT:** Resolution approving Amendment No. 1 to the contract with Truckee Trails Foundation for the preparation of environmental review documents for the Pines to Mines Trail project by extending the contract through June 30, 2024 (4/5 Affirmative Vote Required)

---

**RECOMMENDATION:** Staff recommends that the Board of Supervisors adopt the Resolution.

**FUNDING:** These funds are budgeted in the FY 2022/23 Economic Development budget and will be rolled to FY2023/24. There is no additional impact on the General fund.

**BACKGROUND:** During the Summer of 2015, former District V Supervisor, Richard Anderson spearheaded an east-west county trails connection initiative leading to a series of stakeholder meetings. It was clear during those meetings that there was a passion among the groups to create a monumental trail across Nevada County.

On August 10, 2021, the Board of Supervisors approved the Request for Proposals (RFP) process for the “Pines to Mines Environmental Assessment” via Resolution 21-363.

On November 16, 2021, the Board of Supervisors approved the contract between the County of Nevada and Truckee Trails Foundation to administer the “Pines to Mines Environmental Assessment” in the amount of \$100,000 through June 30, 2023, via Resolution 21-507.

Additional time is needed to complete the environmental studies and finalize the environmental documents. The proposed amendment would extend the contract for one fiscal year, effective July 1, 2023, through June 30, 2024.

**Initiated and Approved by:** Brian Foss, Planning Director
