Interests & Experiences

Experience: A resume, or additional sheets, may be attached containing any information that would be helpful to the Board in evaluating your application.

Education/Employment Experience

I am the Community Programs manager at Sierra harvest. I work primarily with low income families across the county installing backyard gardens and teaching them to grow food, as well as with institutions that serve low income families and individuals.

Community Experience and Affiliations

In addition to my work with Sierra Harvest (6 years) I have been on staff at KVMR as the Volunteer Director for 18 years.

Other County Boards, Commissions, or Committees on which you have served:

I served for many years on the board of the North Columbia Schoolhouse and Cultural Center. I currently serve on no boards, but I do serve on the CHIME-3 Community Advisory Board (Sierra Streams Institute).

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

Through my work at Sierra Harvest I have lots of contact with families across Nevada County and have also worked closely with many of the institutions that serve them. I also run the Gold Country Gleaners program, working closely with IFM and other food distribution hubs in the county.
