NOTE: Cal Fire has not approved many new FWC in California since October 21st. They seem to be focused on renewals at this time.

The Firewise Coordinator also takes part in various other tasks listed below. Fire Safe Council of Nevada County honors our commitment to assisting our neighbors in Sierra and Placer Counties with managing Firewise USA® communities there (provided as match time). These areas directly impact our resident's safety, so collaboration is a wise investment.

Other tasks: Speaking at events, trouble-shoot IT issues for residents, respond to grant queries for data, mentor other fledgling FSC's, collaborate with NFPA updating Firewise info docs, contribute to DSAV curriculum.
