4. **Educators Legal Liability (ELL):** Insurance covering wrongful acts for education, bullying, employment liability, and sexual abuse or molestation liability with limit no less than **\$2,000,000** per occurrence or claim, **\$2,000,000** aggregate.

The insurance obligations under this Contract shall be the greater of 1—all the Insurance coverage and limits carried by or available to Contractor; or 2—the minimum Insurance requirements shown in this Contract. Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to County. No representation is made that the minimum Insurance requirements of this Contract are sufficient to cover the indemnity or other obligations of Contractor under this Contract.

If Contractor maintains broader coverage and/or higher limits than the minimums shown above, County requires and shall be entitled to the broader coverage and/or the higher limits maintained by Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to County.

Other Insurance Provisions:

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured Status: County, its officers, employees, agents, and volunteers are to be covered as additional insureds** on the CGL policy with respect to liability arising out of the work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor’s insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 25, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions used.)
2. **Primary Coverage** For any claims related to this contract, **Contractor’s insurance shall be primary** insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects

County, its officers, employees, agents, and volunteers. Any insurance or self-insurance maintained by County, its officers, employees, agents, and volunteers shall be excess of Contractor's insurance and shall not contribute with it.

3. **Notice of Cancellation** This policy shall not be changed without first giving thirty (30) days prior written notice and ten (10) days prior written notice of cancellation for non-payment of premium to County.
4. **Waiver of Subrogation** Contractor hereby grants to County a waiver of any right to subrogation which any insurer or said Contractor may acquire against County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not County has received a waiver of subrogation endorsement from the insurer.
5. **Deductible and Self-Insured Retentions** Deductible and Self-insured retentions must be declared to and approved by County. County may require Contractor to provide proof of ability to pay losses and related investigations, claims administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or County.
6. **Acceptability of Insurers:** Insurance is to be placed with insurers authorized to conduct business in the State with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to County.
7. **Claims Made Policies** if any of the required policies provide coverage on a claims-made basis:
 - a. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - b. Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
 - c. If the coverage is canceled or non-renewed, and not replaced with another **claims-made policy form with a Retroactive Date**, prior to the contract effective date, Contractor must purchase "extended reporting" coverage for a minimum of **five (5)** years after completion of contract work.
8. **Verification of Coverage** The County may require original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
9. **Subcontractors** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a format at least as broad as CG 20 38 04 13.
10. **Special Risks or Circumstances** County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
11. **Conformity of Coverages** If more than one policy is used to meet the required coverages, such as an umbrella policy or excess policy, such policies shall be following form with all other applicable policies used to meet these minimum requirements. For example, all policies shall be Occurrence Liability policies, or all shall be Claims Made Liability policies, if approved by County as noted above. In no cases shall the types of policies be different.

12. **Premium Payments** The insurance companies shall have no recourse against County and funding agencies, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by a mutual insurance company.
13. **Material Breach** Failure of Contractor to maintain the insurance required by this Contract, or to comply with any of the requirements of this section, shall constitute a material breach of the entire Contract.
14. **Certificate Holder** The Certificate Holder on insurance certificates and related documents should read as follows:

County of Nevada
950 Maidu Ave.
Nevada City, CA 95959

Upon initial award of a Contract to your firm, you may be instructed to send the actual documents to a County contact person for preliminary compliance review.

Certificates which amend or alter the coverage during the term of the Contract, including updated certificates due to policy renewal, should be sent directly to Contract Administrator.

**EXHIBIT “E”
SCHEDULE OF HIPAA PROVISIONS
FOR BUSINESS ASSOCIATES**

**HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA) BUSINESS
ASSOCIATE AGREEMENT**

Contractor acknowledges that it is a “Business Associate” for purposes of this Contract and of the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and The Health Information Technology for Economic and Clinical Health Act of 2009 (“HITECH”) per 45 CFR §160.103 and therefore is directly subject to the HIPAA Security Rule, Privacy Rule and Enforcement Rule, including its civil and criminal penalties and shall implement its standards.

Regarding the Use and Disclosure of Protected Health Information:

1. Except as otherwise limited in this Contract, Contractor may use or disclose Protected Health Information (“PHI”) to perform functions, activities, or services for, or on behalf of, County as specified in this contract, provided that such use or disclosure would not violate the Privacy Rule if done by County and is in accordance with the “minimum necessary” policies and procedures of County (see NCPP 200 – Use and Disclosure Policy).
2. Except as otherwise limited in this Contract, Contractor may use PHI for the proper management and administration of Contractor or to carry out the legal responsibilities of Contractor provided that the disclosure is required by law or Contractor obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purpose for which Contractor disclosed it to the person. And, Contractor shall also ensure that the person notifies Contractor of any instances of which it is aware in which the confidentiality of the information has been breached.
3. Contractor shall not use or further disclose the PHI it creates, receives, maintains or transmits on behalf of County for any purpose other than as permitted or required by this Contract or as required by law.
4. Contractor shall make available PHI to the individual for which it pertains in accordance to applicable law including 45 CFR §164.524
5. Contractor shall make available PHI for amendment and incorporate any amendments to PHI records in accordance with 45 CFR §164.526.
6. Contractor shall track disclosures and make available the information required to provide an accounting of disclosures if requested by the individual or County in accordance with 45 CFR §164.528.
7. To the extent Contractor is to carry out County’s obligations under the Privacy Rule, Contractor agrees to comply with the requirements of the Privacy Rule that apply to County in the performance of such obligations.

Contractor agrees to:

8. Protect the privacy and provide for the security of PHI and electronic Protected Health Information (“ePHI”) created, received, maintained or transmitted by Contractor pursuant to this Contract in accordance with HIPAA, HITECH and regulations promulgated thereunder by the U.S. Department of Health and Human Services (the HIPAA Regulations) and other applicable laws.
9. Develop and maintain a written information privacy and security program that includes administrative, physical and technical safeguards appropriate to the size and complexity of Contractor’s operations and the nature and scope of its activities. Contractor will provide County with information concerning such safeguards as County may reasonably request from time to time.
10. Comply with County policies and procedures related to obtaining, using, disclosing, creating, maintaining and transmitting PHI and ePHI as it relates to this Contract.
11. Ensure sufficient training and utilize reasonable measures to ensure compliance with requirements of this agreement by Contractor’s workforce members who use or disclose PHI (in any form) to assist in the performance of functions or activities under this Contract; and discipline such employees who intentionally violate any provisions of this Contract, including termination of employment. Workforce member training shall be documented and such documents retained for the period of this Contract and made available to County for inspection if requested.
12. Ensure that any subcontractors or agents agree to comply with the same restrictions, conditions and terms that apply to Contractor with respect to this Contract and with applicable requirements of HIPAA and HITECH by entering into a written contract including permissible uses and disclosures and provisions where the subcontractor or agent agrees to implement reasonable and appropriate security measures to protect the information (PHI or ePHI) it creates, receives, maintains or transmits on behalf of Contractor or County with respect to this Contract.
13. Report to County any security incident or any unauthorized use or disclosure of PHI (in any form). Security incidents include attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system and includes breaches of unsecured protected health information as required by 45 CFR §164.410. Contractor shall make this report by the next business day following discovery of the use, disclosure, or security incident. Any unauthorized use or disclosure or security incident shall be treated as discovered by Contractor on the first day on which such use or disclosure or security incident is known to Contractor, including any person, other than the individual committing the unauthorized use or disclosure or security incident, that is an employee, officer or other agent of Contractor, or who should reasonably have known such unauthorized activities occurred.
14. Contractor will comply with all applicable breach notification requirements including notifications to the individual/s whose PHI is the subject of a breach, as provided under the HIPAA and HITECH Acts. Contractor shall take prompt corrective action to cure any breach or action pertaining to the unauthorized disclosure of PHI or ePHI.
15. Make Contractor’s internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Contractor on behalf of County available to County upon request. In addition, Contractor will make these items available to the Secretary of the United States Health and Human Services for purposes of determining County’s or Contractor’s compliance with HIPAA and its implementing regulations (in all events Contractor shall immediately notify County of any such request, and shall provide County with copies of any such materials).
16. Contractor agrees that this Contract may be amended from time to time by County if and to the extent required by the provision of 42 U.S.C. § 1171, et seq., enacted by HIPAA and regulations promulgated thereunder, in order to assure that this Contract is consistent therewith.
17. Contractor acknowledges that a violation of the terms of this exhibit would constitute a material breach of this Contract.

18. At termination of this Contract, if feasible, Contractor agrees to return or destroy all PHI received from, or created or received by Contractor on behalf of County that Contractor still maintains in any form and retain no copies of such information or, if such return or destruction is not feasible, extend the protections of this Contract to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible.
