Meeting: Nevada County Board of Supervisors April 8, 2025, Meeting

Item: PUBLIC COMMENT:

eComment: I urge you to protect our immigrant neighbors by committing to non-cooperation with ICE. Local resources should support safety and community—not federal immigration enforcement. New eComment for Nevada County Board of Supervisors April 8, 2025, Meeting

Lindsay Bellows submitted a new eComment.

Meeting: Nevada County Board of Supervisors April 8, 2025, Meeting

Item: 20. SR 25-0146 Public Community Forum regarding the TRUTH Act, pursuant to Government Code sections 7283 to 7283.2, to provide information to the public about Immigration and Customs Enforcement access to individuals, and to receive and consider public comment.

eComment: Local law enforcement should NOT comply with ICE or federal agencies related to immigration matters, to the greatest extent possible. ICE and federal law enforcement agencies are currently *breaking* laws and if we collaborate we will be complicit in their unlawfulness. Immigrants are a valuable part of our community and keeping Nevada County safe means keeping EVERYONE safe, regardless of nationality or documentation status. Thank you.

Grayson Carlile submitted a new eComment.

Meeting: Nevada County Board of Supervisors April 8, 2025, Meeting

eComment: I strongly believe that local law enforcement should not be cooperating with ICE or any federal agencies regarding matters of immigration. ICE has been illegally detaining and deporting immigrants without due process and as such, cooperation with them could result in complicity in unlawful targeting/treatment of immigrants. The role of local law enforcement should be to protect our community - that includes immigrants.

eComment: I urge you to protect those who live and work in our community, regardless of immigration status. Most of us are descendants of immigrants, and our shared values call us to reject policies that criminalize and dehumanize. I strongly oppose any collaboration between local law enforcement and ICE. Raids, detentions, and family separations erode trust, tear families apart, and create fear—undermining the safety and well-being of our entire community.

eComment: The recent federal immigration enforcement has been explicitly breaking laws and I believe local law enforcement should not comply with ICE, etc, wherever possible. We should be abiding by agreed upon laws as well as tending to the needs and wellbeing of our local community members. Mistreatment and unlawful removal of local immigrants is harmful to our community, at large. I believe we must stand for one another.

Dear Sir or Madam-

I implore you to treat our immigrant community members with the respect they deserve. All Americans are the decendents of immigrants- apart from Native Peoples. This country was build on the backs of immigrants and slaves. Immgrrants do jobs citizens won't. My father is a Navy veteran who "pulled himself up by his bootstraps" because he was steeped in the hard work ethic of immigrants. At 76 he spends his days fighting for their rights and the rights of Veterans. He should be able to enjoy his last years. He fights because his load was a little lighter because of the work that those who came before him did.

Sincerely,

Mia Gleason, BCSI, CMT

eComment: Immigrants are the backbone of our nation. They always have been and always will be. I stand with them and for them to be here, live here, work here, and be a part of our beautiful community. I support local law enforcement to do whatever necessary to resist complying with ICE. The safety of our county is at stake. We must resist federal agencies who come in and try to harm our community members.

Hello.

I am a citizen and voter in Grass Valley. I am writing to urge the Board to adopt an official stance protecting local immigrants, and not comply with ICE. As we have seen in the news, ICE has been sweeping people up without real cause (more and more reports are coming out about their very flawed process). Their actions are illegal, and they are behaving outside of the constitution. Consequently, we should push against their blatant disregard for rights and basic human dignity.
