

RESOLUTION No. 24-013

OF THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA

RESOLUTION AUTHORIZING THE PURCHASE OF HIGH FREQUENCY RADIO EQUIPMENT IN THE AMOUNT OF \$30,269 AND FUNDED BY THE CAL OES HIGH FREQUENCY COMMUNICATIONS EQUIPMENT PROGRAM GRANT AND AUTHORIZING A BUDGET AMENDMENT TO FUND THE PURCHASE OF THE CAPITAL ASSETS (4/5 AFFIRMATIVE VOTE REQUIRED)

WHEREAS, the Nevada County Sheriff's Office received notification in May 2022 that Nevada County's application for the Cal OES High Frequency Communications Equipment Program Grant funding was approved in the amount of \$42,223.00 for Fiscal Year 2022/23; and

WHEREAS, the Cal OES High Frequency Communications Equipment Program performance period of April 1, 2022, to October 31, 2023, was approved by Cal OES on August 22, 2023, for modification to extend the end of the performance period from October 31, 2023 to March 31, 2024; and

WHEREAS, the grant was accepted by the Board of Supervisors on December 5, 2023, per Resolution 23-579; and

WHEREAS, the Cal OES High Frequency Communications Equipment Program Grant Subaward will be used by Nevada County Sheriff's Office to procure high frequency communications equipment that meet the required specifications for transmitting secure communications over both the Cal OES State Communications System (STACOM) and the federal Shared Resources High Frequency Radio Network (SHARES); as well as installation, training, and related services; and

WHEREAS, the Sheriff's Office has received approval from Cal OES to purchase CODAN high frequency radio equipment from NVIS, Communications, LLC on a sole source basis and the cost of the equipment including NVIS services is \$30,269.

NOW, THEREFORE, BE IT RESOLVED the Nevada County Board of Supervisors, on behalf of the County of Nevada authorizes:

- 1) The above recitals are true and correct; and
- 2) Authorizes the Sheriff's Office to purchase CODAN radio equipment in the amount of \$30,269; and
- 3) Directs the Auditor/Controller to amend the Sheriff's Office Fiscal Year 2023/24 budget as follows:

From: Lt. Jason Spillner (*Grant Subaward Director*)

Subject: Non-Competitive Procurement Request FH21 01 0290

The Nevada County Sheriff's Office, being the duly authorized implementing agency for Grant Subaward # FH21 01 0290 relating to the High Frequency Communications Equipment Program, is hereby requesting to procure radio communications equipment, as part of this project, in a non-competitive manner.

Based on our research of the current commercially available high frequency communications equipment that would meet the required specifications for transmitting secure communications over both the CalOES State Communications System (STACOM) and the federal Shared Resources High Frequency Radio Network (SHARES), we believe we can only procure the desired equipment from NVIS Communications, LLC. (NVIS). The Nevada County Sheriff's Office desires to purchase CODAN brand communications equipment, which is manufactured in Australia. NVIS is the sole factory authorized sales and service partner for CODAN communications equipment in the United States (See Attached NVIS Dealer Certification Letter).

In speaking directly with staff at CalOES' Public Safety Communications Division, Tactical Communications Unit, we've learned that CalOES uses only CODAN brand radio communications equipment as part of their STACOM network system. As a member of the STACOM system and utilizing only the same CODAN brand equipment as CalOES uses, CalOES will be able to "push" periodic and necessary software and programming upgrades seamlessly to our equipment without the need for specific vendor software code-plugs to be shipped directly to our office for configuration. This type of passive network maintenance would only be possible if our office uses the same CODAN brand equipment as CalOES. The Nevada County Sheriff's Office does not employ radio technicians, so if we had to configure and program this equipment ourselves, we would be forced to hire outside vendors to perform this work at an added cost and potentially creating unwanted delays with shipping times and unpredictable vendor schedules, neither being optimal when dealing with emergency radio communications systems.

Based on this information, the Nevada County Sheriff's Office is requesting authorization to procure, in a non-competitive manner, a total of \$30,269.08 in both equipment and services, such as training and support, from NVIS Communications, LLC., as part of our project.

Respectfully,

Dear Captain Jakobs,

This letter is to certify that NVIS Communications is the sole factory authorized Sales & Service partner for Codan Communications in the United States.

The CODAN HF Radio Packages quoted by NVIS Communications have the same configuration and features that are currently in use at CalOES HQ in Sacramento. These packages were designed to work seamlessly within both the CalOES Statewide Network as well as the SHARES* Federal HF Network for provide maximum interoperability and communications during times of emergencies when normal communications are destroyed or unavailable.

Please contact the undersigned with any questions you may have.

Respectfully,
