North Tahoe – Truckee Homeless Services

NTTHS Mission Statement:

To provide vital safety-net services and end homelessness in the North Tahoe-Truckee region, one person at a time.

NTTHS operates using a low barrier, person-centered, trauma-informed and housing-first approach

Current Services

NORTH TAHOE - TRUCKEE
HOMELESS SERVICES

- Weather-triggered Emergency Warming Center
- Day Respite Center (meals, laundry, showers, community)
- Case Management
- Emergency Room Project (Suspended for funding)

History of Homeless Services in the Region

- 2012 FRSC / Project MANA on site

- First grants from Placer and Nevada County COC, 2021

Ending Homelessness with Housing:
July 2021-June 2023

- 40 Households
- 27 Chronically Homeless
- 27 Nevada County Residents
- 15 Placer County Residents
- 2 Other

Housing Strategies:

- Street Outreach and Case Management
- New housing stock in Tahoe Truckee
- MOU with NTTHS and Cold Stream Commons
- Short-term and long-term housing subsidies
- Appeals and reasonable accommodations for denied housing applications
- On-going case consultation to support housing retention
- Partnership with Sierra Community House legal team for on-going tenant education

Housing Resource Team (HRT) :

- Homeless Management Information System (HMIS) creates a By-Name-List (BNL)
- Increased number of HMIS License Holders in Tahoe Truckee
- Weekly Case Conferencing with agencies across the County

Needed for Sustainability:

- Regional Vision from Jurisdictions on what programs should be sustained
- Sustained funding for core services and on-going housing supports
- New location for Day Center and EWC Operations
- Expanded hours of service at Day Center
- Expanded parameters for EWC services to open
