NEVADA COUNTY BOARD OF SUPERVISORS

Board Agenda Memo

MEETING DATE: August 23, 2022
TO: Board of Supervisors
FROM: **Steve Monaghan – IGS – Airport**
SUBJECT: Resolution rescinding Resolution 22-458 and approving the revised capital asset purchase of an Airport Beacon in the amount of \$14,000 and amending the Airport FY 22/23 Budget (4/5 Affirmative Vote Required)

RECOMMENDATION: Adopt the Resolution

FUNDING: The capital asset purchase will be purchased from the Nevada County Airport FY 2022-23 Budget.

BACKGROUND: The Nevada County Airport has a responsibility to keep the Airport's lighting system in working order to provide for safe airport operations. Beacons help pilots locate and identify the type of airport. The current airport beacon has been in-service for many decades and is well past its service life. The new beacon will be an LED beacon which will reduce the overall cost of ownership. Resolution 22-458 approved the purchase of the LED Airport Beacon however the cost of shipping needed to be adjusted therefore this resolution rescinds 22-458 and approves the update capital asset purchase not to exceed \$14,000.
