Yes, after hearing that Patricia cannot be there, I figured that I had better be.

Hey Teresa,

Trying to figure out our plan for the April 20 regular PV MAC meeting. I just remembered your offer to stay on until we had a new chair. Does that offer still stand? If so, are you available to be at that meeting? We could conduct new chair/vice chair elections and then set you free...

Thank you and I hope you're well!
