Sirs:

I am opposed to putting a Dollar General in Alta Sierra. That store would create a traffic & noise problem. It might create a crime problem to an otherwise quiet residential area. We have a dollar store by Raileys & do not need one here.

I urge you to vote against it.

To the board of Supervisors of Nevada County

Really do we need another Dollar type store? I think not, especially in this location.
Why not?

It is not environmentally correct
The traffic will be an issue
There will be trucks going in and out
We have a few dollar type stores in town already
Please reconsider your thoughts and vote NO.....

Thank you

I strongly oppose building a Dollar General store in Alta Sierra.

Didn't the Planning Commission recommend denial of their application? Please support their recommendation and the opinion of many residents of Alta Sierra by voting NO!

If there is still a way to oppose this I certainly do oppose this. I can drive merely 10 miles to the nearest other dollar general so I do not want this in our tiny neighborhood division.

Thank you

Dear Board of Supervisors,

Through this email, I register my opposition to a Dollar General Store being erected at the Alta Sierra site. This store does not align with the neighborhood and is unwanted by the citizenry. We do not need or want a big store filled with plastic items from China.

We are highly opposed to a Dollar Store in Alta Sierra. It would ruin the ambience of the area as well as creating terrible traffic problems. Please vote no!
