This looks great. We are fully in support of this. Let me know if anything else is needed.
Thank you!

Subject: Proposed Coyote St Truck Restriction Signs

Hello Brian,

I'll see if I can catch you on the phone tomorrow to discuss this.

I wanted to send you plans first to make it easier to follow what I'm talking about.

In brief, because Coyote St. is so narrow and winding, we would like to install signs restricting truck access to improve safety.

Some of the areas we are proposing signs are within the City limits and within Caltrans ROW.

Thank you!
