**NEVADA COUNTY BOARD OF SUPERVISORS**  
**Board Agenda Memo**

**MEETING DATE:** January 11, 2022  
**TO:** Board of Supervisors  
**FROM:** Panos Kokkas, Director of Public Works  
**SUBJECT:** Resolution Authorizing Environmental Clearance for the 2022 Nevada County Thermoplastic and MMA Safety Project

**RECOMMENDATION:** Approve the attached resolution.

**FUNDING:** The 2022 Nevada County Thermoplastic and MMA Safety Project is funded with Highway Safety Improvement Program (HSIP) funds. There is no impact to the General Fund and a budget amendment is not necessary.

**BACKGROUND:** This project consists of applying thermoplastic and Methyl Methacrylate (MMA) striping and markings to approximately 15 and 7 miles of County Maintained road respectively. Road markers will also be replaced. Work is scheduled for summer of 2022. All work will be performed within the County's existing right-of-way. A map of the roads where this work is proposed is provided as Attachment A.

The Public Works Department has reviewed the project for compliance with the California Environmental Quality Act (CEQA) and has identified it as a Class 1 project. Class 1 projects include those involving the repair, maintenance, or minor alteration of an existing public facility with negligible, or no expansion of use.

The project is categorically exempt from the provisions of CEQA per Section 15301(c) of the CEQA Guidelines.

A Notice of Exemption has been prepared for the project, and upon approval by the Nevada County Board of Supervisors, will be filed with the Nevada County Clerk-Recorder's Office.
