B. BILINGUAL PAY DIFFERENTIAL

1. For those employees identified by the Director of Human Resources which have assigned duties involving regular use of bilingual skills, a differential of 5% of base salary shall be provided. Regular use shall be defined as using the skill a minimum twenty percent (20%) or more in the course of the employee's assigned duties. Exceptions to this requirement will be reviewed by the Human Resources Director on a case by case basis and that determination shall be final.
