Dan Miller, District 3 Supervisor

950 Maidu Avenue

Nevada City, CA 95959

Dear Dan

With my recent announcement to run for District 3 Supervisor, the appropriate action for me to take at this time, is to offer my resignation as your planning commissioner as of October 1, 2021. I know you will find a suitable replacement.

It has been a privilege to serve with Chair Duncan, Vice Chair Coleman-Hunt, and Commissioners Mastrodonato and Greeno.

I believe we have a very professional staff supporting the planning commission and I look forward to working with them as District 3 Supervisor in 2022.

Respectfully

Patti Ingram Spencer
