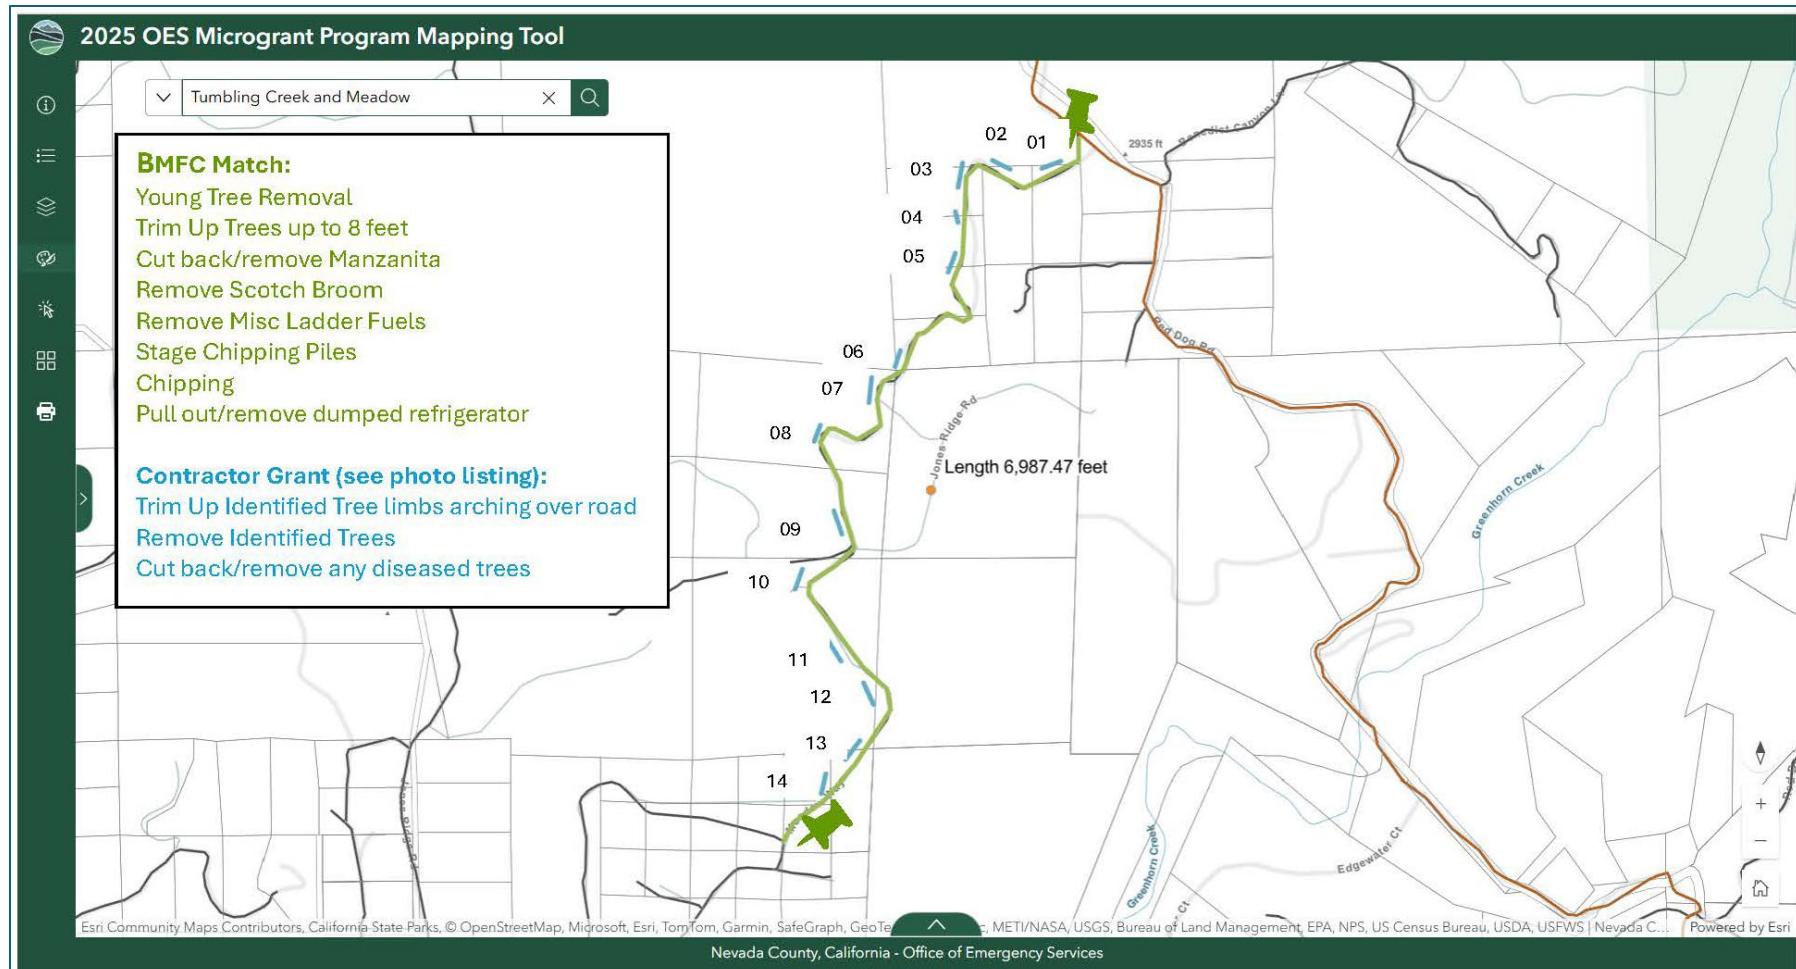

Figure 2: Greenhorn Road/Banner Mountain Critical Evacuation Project: This project addresses a shared evacuation route for Banner Mountain and Greenhorn Firewise Communities. It involves 5 acres of hazardous vegetation removal along 7,000 feet of road. The project is funded by USFS with 1:1 match from the participating communities.

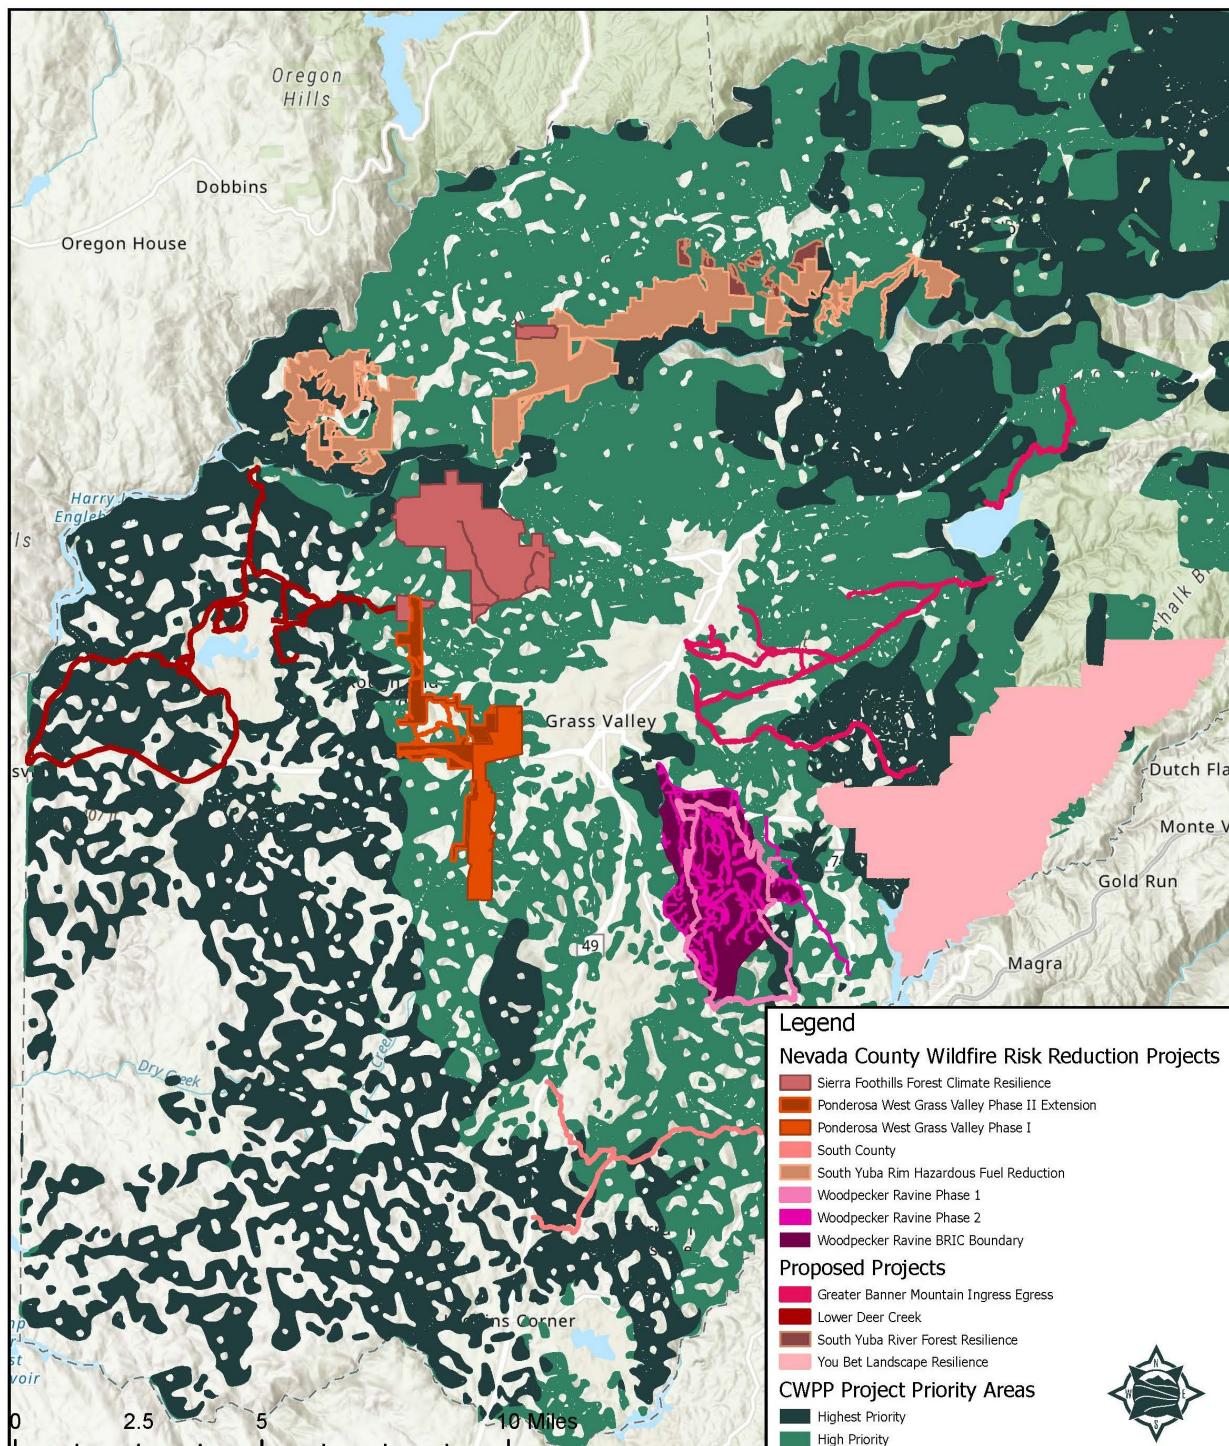

Figure 3: Greater Banner Mountain Ingress/Egress Project: The Greater Banner Mountain Ingress/Egress Project was designed by OES as an outcome of the 2025 Community Wildfire Protection Plan. OES worked with CAL FIRE Nevada-Yuba-Placer Unit to have the project identified in the 2025 Strategic Fire Plan.
