Experience: A resume, or additional sheets, may be attached containing any information that would be helpful to the Board in evaluating your application.

Education/Employment Experience

I have been involved in civil engineering, land planning and land development for over 50 years. During the past 6 years I have helping applicants develop site plans and applications for submittal to Nevada County, Department of Cannabis Control, State Water Board and Fish and wildlife for licensing of cannabis projects in the county. To date I have prepared about 10% of all approved cannabis cultivation applications in the county. The cultivation areas have included sites with 5,000 to 40,000 Sf of canopy. Additionally during the preparation of the EIR for the cannabis ordinance, I submitted about 800 written pages of comments on the draft EIR.

Community Experience and Affiliations

I am a member of the Nevada County Cannabis Alliance, and have served on our private road association road committee.
